Regions Of Spain A Reference Guide To History And Culture:

The Regions of Spain Robert Kern,1995-10-10 This is a detailed reference book on Spanish history life and culture from prehistory to 1994 It is presented in English and is organised by region and province It is designed to assist students and interested readers in identifying and understanding regional and provincial history **Culture and Customs of Spain**

Edward F. Stanton,2002-05-30 Modern Spain is a revelation in this up to date overview Stanton vibrantly describes the startling variety of landscape people and culture that make up Spain today Included are a context chapter and others on religion customs media cinema literature performing arts and visual arts Students of Spanish and a general audience will be rewarded with engrossing insights into what writer Ernest Hemingway called the very best country of all Spain is a modern European nation yet Spaniards are fiercely tied to their individual towns and regions with their distinct social customs dialects or languages foods landscape and lifestyles more than to a united country Culture and Customs of Spain conveys the extremes such as the hard working Catalan contrasted to the leisurely paced Castilian coexisting in first and third world conditions and the love hate relationship with the Catholic Church Spain s institutions are described and its contributions to the world from unparalleled literature and cuisine to flamenco and filmmaker Pedro Almodovar are celebrated A chronology and glossary complement the text **The Regions of Spain** Bloomsbury Publishing,1995-10-10 This is the first complete

reference book on Spanish history life and culture from prehistory to 1994 and the only book on Spain in English or Spanish that is organized by region and province It is designed to assist students and interested readers in identifying and understanding regional and provincial history economy literature art music social customs and cultural life historic sites and provincial cuisine recipes included Organized into entries on the 18 regions and subdivided into the 50 provinces this one stop reference makes gathering information on each region and province easy A map of each region and photos accompany the text *Encyclopedia of Stateless Nations* James B. Minahan,2016-08-01 This book addresses the numerous national

movements of ethnic groups around the world seeking independence more self rule or autonomy movements that have proliferated exponentially in the 21st century In the last 15 years globalization religious radicalization economic changes endangered cultures and languages cultural suppression racial tensions and many other factors have stimulated the emergence of autonomy and independence movements in every corner of the world even in areas formerly considered immune to self government demands such as South America Researching the numerous ethnic groups seeking autonomy or independence worldwide previously required referencing many specialized publications This book makes this difficult to find information available in a single volume presented in a simple format accessible to everyone from high school readers to scholars in advanced studies programs The book provides an extensive update to Greenwood s *Encyclopedia of the Stateless Nations Ethnic and National Groups around the World* that was published more than a decade earlier Each ethnic group receives an alphabetically organized entry containing information such as alternate names population figures flag or flags

geography history culture and languages All the information readers need to understand the motivating factors behind each movement and the current situation of each ethnic group is presented in a compact summary Fact boxes at the beginning of each entry enable students to quickly access key information and consistent entry structure makes for easy cross cultural comparisons *Informationsmittel für Bibliotheken* ,1997 This reference material is directed at librarians of all disciplines It contains summary reports on reference resources of all kinds and formats essays and reports concerning theory and usage of reference materials as well as an index of relevant journals *British Bulletin of Publications on Latin America, the Caribbean, Portugal and Spain* ,2003 **The Regional Travel Guide for Valencia Region (Spain)** YouGuide Ltd,
