Reincarnation & Karma John Van Auken,2015-04-02 This is a fast reading far reaching look into the strange concept of our soul s life describing how our soul goes through a recurring cycle of incarnations bringing karma that affects us in a way often unseen like a shadow over our personality s life and relationships today Van Auken explains how and why reincarnation occurs where our past life memories are stored and how we may become aware of our soul and its karmic patterns He explains soul mates twin souls soul groups and reveals what our souls are doing when they are not incarnating He revisits passages in the Bible about our origin and true nature a nature that is not affected by the death of the physical body Using sources from the Hindu Akashic Records and the Book of Life or Book of Remembrance as well as Kabbalistic and Gnostic teachings he gives us examples of how our soul sees life rather than our earthly self s view He uses Edgar Cayce s discourses to add to our overall understanding of soul life versus personality life Destiny fate and karma are explored as well Then he has a series of chapters of meditation dreams living by ideals rather than allowing circumstances to direct our lives There s a fascinating chapter telling the lifetimes of one soul s whole series of incarnations and how each of them contributed who she is today and why specific people are in her life today All in all it is an interesting and compelling revelation about a life few of us are aware of but are apparently living at some level of our consciousness
