Reinvigorating European Elections Julie Smith, 2005 What can be done to overcome these problems **Routledge**

Handbook of European Elections Donatella M. Viola, 2015-08-14 The Routledge Handbook of European Elections explores the multifaceted dimension of the European Parliament's EP electoral contests across the European Community and European Union since 1979 After setting a general empirical and theoretical framework this collaborative project presents original contributions from leading experts from virtually all the corners of the European Union Each case study adheres to a common template that makes it easy to compare data methodology and outcomes Every country chapter includes a brief geopolitical profile and historical background of the Member State a glance at the national political landscape a short account of the main political parties including their attitude toward the European Union a section on public opinion and European integration a summary of electoral systems an overview of all EP and national elections an in depth analysis of the 2009 EP electoral race an overall theoretical interpretation of European elections A comparative chapter closes the Handbook followed by an Epilogue focussing on the 2014 EP contest with a detailed analysis of the newly elected European Assembly in terms of political group and gender composition The volume aims to enhance readers understanding of the European Parliament and revive their interest in the European integration process By providing a wide range of national and European facts and figures this investigation represents a comprehensive reference guide to scholars practitioners and students of the European Parliament European elections political parties European Union and comparative politics **The EU Expansion** Lynda Lee Kaid, 2008 The EU Expansion analyzes the communication strategies of candidates and parties in the 2004 European Parliamentary elections These elections marked the first opportunity for the selection of representatives to the enlarged European Parliament They also provided an important opportunity to study how candidates and parties strike a balance between communicating the need to preserve the sovereignty and culture of their countries with the increasing realization that Europe can only preserve its significance in the world by forging a unified economic and political federation Research and analysis from both longstanding EU nations and those entering for the first time are provided Chapters focus on the background and significance of the elections the content of the party and candidate communications in representative countries news media coverage of the elections the effects of these communications on voters and the unique perspectives of how the elections were covered and perceived around the world **European Sovereignty, Legitimacy, and Power** Bart M.J. Szewczyk, 2020-12-23 This book shows how the EU's dual sovereignty legitimacy problem can be resolved through the political concept of European citizenship which can serve both to define the scope of European sovereignty and to justify EU power beyond national democracy It reconceptualizes the EU's legitimacy problem and demonstrates how sources of legitimacy can be identified and give rise to European sovereignty It argues that sovereignty should be based on the will of citizens acting through various political bodies within the EU city halls regional entities national governments and EU

institutions and develops a general theory arguably applicable to any political order The EU is an unprecedented political project that is in tension with traditional forms of state legitimation based on national democracy as nationalists and populists throughout Europe often make clear Against this backdrop the book fully articulates the notion of European sovereignty and argues that the EU's sources of legitimacy are based on European citizenship and national democracy This book will be of key interest to scholars and students of EU politics European integration international institutions and international relations

Politics for a New Generation Nick Pearce, Julia Margo, 2007-04-29 To mark ten years since Labour's election the next generation of British and US political thinkers including MPs Ministers and policy specialists have come together to outline what the next phase of the progressive agenda should be and how it can be achieved Using evidence based research and the most promising new theories this collection of essays will consider the direction of progressive governance politics and policy in the next decade

The Routledge Handbook of East European Politics Adam Fagan, Petr Kopecký, 2017-08-15 The Routledge Handbook of East European Politics is an authoritative overview that will help a wide readership develop an understanding of the region in all its political economic and social complexity Including Central Europe the Baltic republics South Eastern Europe and the Western Balkans as well as all the countries of the former Soviet Union it is unrivalled in breadth and depth affording a comprehensive overview of Eastern European politics provided by leading experts in the fields of comparative politics international relations and public administration Through a series of cutting edge articles it seeks to explain and understand patterns of Eastern European politics today The Routledge Handbook of East European Politics will be a key reference point both for advanced level students developing knowledge about the subject researchers producing new material in the area and those interested and working in the fields of East European Politics Russian Politics EU Politics and more broadly in European Politics Comparative Politics Democratization Studies and International Relations

The European Parliament, Second Edition David Judge, David Earnshaw, 2008-11-13 The revised and updated 2nd edition of this broad ranging text examines the political dynamic of the European Parliament within the EU and sets it in the broader context of comparative legislative analysis The authors examine its significance in the debates surrounding the democracy legitimacy and parliamentarization of the European Union

From Integration to Integrity Michelle Cini, 2007 From Integration to Integrity examines the European Commission's administrative ethics in the events leading up to the resignation of the College of Commissioners in March 1999 and the subsequent administrative reform led by Commissioner Neil Kinnock from 1999-2004 Insights from the field of administrative ethics are applied to the Commission's response to accusations of an ethics problem within its organization adding a new perspective to existing research on the EU institutions Until now there has been no study of the European institutions themselves to question the validity of these claims or to explore the extent to which the European Commission has responded to problems This is the first book to examine how the

European Commission has addressed concerns about its ethical standards since 1999 **The World Today** ,2004

Ethnic Minorities and Long-term Implications of EU Enlargement André Liebich,1998 **The Politics of EU Accession** Agnes Batory,2008-10-15 A study of European Union enlargement and of politics in Hungary It analyzes the politics of Hungary s accession to the EU from the early 1990s to 2004 It provides an analysis of the way questions related to European Union membership and European integration in general are channeled into political life **Dissemination and contemporary impact of the Reformation in a European context** Irene Dingel,Ute Lotz-Heumann,2015 *The Times Index* ,2005 Indexes the Times and its supplements *Separatism and Sovereignty in the New Europe* Janet Laible,2008-11-15 This book investigates the question of why despite European integration and its challenges to state sovereignty separatist nationalism continues to thrive in European Union member states Janet Laible argues that the EU as a context a set of resources and a participatory arena is deeply implicated in the arguments and tactics of separatists Contrary to those who believe that European integration has reduced the incentives for separatist politics Laible draws on evidence from contemporary Scottish and Flemish nationalism to demonstrate that the EU sustains the importance of statehood and therefore separatism and creates new forms of political capital that nationalists employ in their struggles for self government

European Politics Reconsidered B. Guy Peters,1991 The Counterterror Coalitions Nora Bensahel,2003 The long term success of the counterterror campaign will depend on concerted cooperation from European states but a key question is the extent to which that cooperation should be pursued through European multilateral institutions This study argues that the United States should pursue military and intelligence cooperation on a bilateral basis and it should increasingly pursue financial and law enforcement cooperation on a multilateral basis The United States should adopt a nuanced strategy in its counterterror relations with Europe **Current Politics and Economics of Europe** ,2007 *Problems in European Politics* Kenneth Christie,1995 Includes bibliographies and index The Strategic Implications of European Union Enlargement Esther Brimmer,2005 Enlargement will change the nature of the European Union but how will it affect international affairs The EU and its member states command significant economic resources and have launched a Common Foreign and Security Policy Yet the demands of taking on ten new countries concluding a constitutional treaty to accommodate decisionmaking and dissipating acrimony after the war in Iraq all complicate efforts to develop and enhance the EU s international presence This book considers the impact of enlargement with respect to the EU s perception of its international role in specific geographical regions The contributors discuss a range of global issues including the environment food policies development terrorism and the use of force Contributors include Stefan Fr hlich University of Erlangen Nuremberg Hanna Ojanen and Kristi Raik Finnish Institute of International Affairs Ulrike Guerot German Marshall Fund Berlin Office Stanislaw Tekieli Center for Eastern Studies Warsaw Michael Leigh European Commission Directorate General for External Affairs Henri Barkey Lehigh University Anne Marie LeGloannec Centre d Etudes et de Recherches
