**Taming Silicon Valley** Gary F. Marcus,2024-09-17 How Big Tech is taking advantage of us how AI is making it worse and how we can create a thriving AI positive world On balance will AI help

humanity or harm it AI could revolutionize science medicine and technology and deliver us a world of abundance and better health Or it could be a disaster leading to the downfall of democracy or even our extinction In Taming Silicon Valley Gary Marcus one of the most trusted voices in AI explains that we still have a choice And that the decisions we make now about AI will shape our next century In this short but powerful manifesto Marcus explains how Big Tech is taking advantage of us how AI could make things much worse and most importantly what we can do to safeguard our democracy our society and our future Marcus explains the potential and potential risks of AI in the clearest possible terms and how Big Tech has effectively captured policymakers He begins by laying out what is lacking in current AI what the greatest risks of AI are and how Big Tech has been playing both the public and the government before digging into why the US government has thus far been ineffective at reining in Big Tech He then offers real tools for readers including eight suggestions for what a coherent AI policy should look like from data rights to layered AI oversight to meaningful tax reform and closes with how ordinary citizens can push for what is so desperately needed Taming Silicon Valley is both a primer on how AI has gotten to its problematic present state and a book of activism in the tradition of Abbie Hoffman s Steal This Book and Thomas Paine s Common Sense It is a deeply important book for our perilous historical moment that every concerned citizen must read
