Practical Guide To Becoming The Sexually Fulfilled Woman:

Sexual Dysfunction in Women Marta Meana, 2012-01-01 Sexual Dysfunction in Women is a concise yet detailed clinical guide to the treatment of sexual difficulties in women. Written with the general psychologist and therapist in mind and being published with a companion volume on Sexual Dysfunction in Men, it takes the novel position that most clinicians interested and willing to help female clients with sexual concerns can do so effectively even if they do not primarily consider themselves as sex therapists. Many women will experience difficulties with desire, arousal, orgasm, or pain with intercourse at some point in the course of their lives, yet most clinicians feel less equipped to treat sexual dysfunction than far less prevalent disorders. This book empowers general psychologists, therapists, and other practitioners to actively engage in the multidisciplinary treatment of sexual disorders and broaden their knowledge base about sexuality, an important component of most clients' quality of life. It is both a go-to resource for professional clinicians in their daily work and an ideal resource for students and practice-oriented continuing education.

The Nice Girl Syndrome Beverly Engel, 2010-03-22 How women can overcome the pressure to please others and feel free to be their true selves. Are you too nice for your own good? Do family members manipulate you? Do coworkers take advantage of you? If this sounds familiar, read *The Nice Girl Syndrome*. In this breakthrough guide, renowned author and therapist Beverly Engel, who has helped thousands of women recognize and leave emotionally abusive relationships, can show you how to take control of your life and take care of yourself. Engel explains that women today simply cannot afford to be Nice Girls because women who are too nice send the message that they are easy targets and are much more likely to be victimized emotionally, physically, and sexually. She identifies the seven different types of Nice Girls and helps you understand which type or types might apply to you. Engel helps you determine whether the Nice Girl Syndrome is keeping you in an abusive relationship or in manipulative situations and helps you change Nice Girl beliefs and behaviors that are holding you back. Shows you how to confront the beliefs and behaviors that keep you stuck in a Nice Girl act as you replace them with healthier, more empowering ones. Includes inspiring stories of women Engel has worked with who have found the courage and strength to stop taking abuse and start standing up for themselves. This book will challenge, entertain, and empower its readers. Publishers Weekly starred review. Written by renowned author and therapist.
