Pragmatic Presidency:

The Reagan Presidency W. Elliot Brownlee, Hugh Davis Graham, 2003 Table of contents **After Obama** Todd Shaw, Robert A Brown, Joseph P McCormick II, 2021-02-16 Examines the complicated political legacy of our first black president Written during the presidency of Donald Trump After Obama examines the impact President Barack Obama and his administration have continued to have upon African American politics In this comprehensive volume Todd C Shaw Robert A Brown and Joseph P McCormick II bring together more than a dozen scholars to explore his complex legacy including his successes failures and contradictions Contributors focus on a wide range of topics including how President Obama affected aspects of African American politics how his public policies influenced the quality of Black citizenship and life and what future administrations can learn from his experiences They also examine the present day significance of Donald Trump in relation to African American politics A timely and thorough work After Obama provides the first examination of the Obama administration in its entirety and the lasting impact it has had on African American politics *The White House Speaks* Craig A. Smith, Kathy B. Smith, 1994-04-11 This work treats presidential leadership as persuasive communication The major theories of presidential leadership found in the literature establish the central role of persuasion and introduce the interpretive systems approach to political communication as a theoretical framework for the study of presidential leadership as persuasion Case studies examine recent presidents use of public persuasion to perform their leadership functions Particular attention is devoted to coalitional constraints on presidential pardoning rhetoric presidential leadership through the politics of division the political significance of conflicting political narratives the sermonic nature of much 20th century presidential discourse the difficulties inherent in persuading the public to make sacrifices and the dangers of relying too heavily on public rhetoric The concluding chapter considers the rhetoric that contributed to the demise of the Bush presidency the election of Bill Clinton and the challenges facing the Clinton presidency **The Citizen's Presidency** Bruce Buchanan, 1987 Talking with the President John Wilson, 2015-03-04 This book provides a Pragmatic analysis of presidential language focusing on the language of six Presidents John F Kennedy Richard M Nixon Ronald W Reagan William F Clinton George W Bush and Barack H Obama **Remaking the Presidency** Peri E. Arnold, 2009 The first comprehensive study of the three Progressive Era presidents who stretched the limits of the early twentieth century presidency in order to meet the emerging public expectations Explains the leadership differences between the three presidents and looks at the impact the Progressive movement had on the office of the presidency The Pentagon and the Presidency Dale Roy Herspring, 2005 A fascinating account from the military's perspective of the historically tense and at times outright antagonistic relations between senior military leaders and American presidents and their advisors Closely examines and grades the impact of presidential styles on the military's view of the president Understanding the Presidency James P. Pfiffner, Roger H. Davidson, 2000 Spanning two centuries this book examines the development of the US presidency to offer

an historical perspective culminating in the impeachment proceedings brought against the incumbent William Jefferson Clinton This popular reader is the only comprehensive reader on the American Presidency that is also accessible and engaging for undergraduate students NEW Original articles written specifically for this volume Robert Dudley on the presidency and the courts Donald Kettl on the presidency and the budget Clyde Wilcox on campaign finance Introductory essays present an overview of each major section giving a context for the selection and helping students to learn Excellent mix of historical and contemporary selections See Section 1 on historical topics For contemporary selections see the articles on the Clinton administration and Allen Schick on the Clinton Health Care defeat How a Bill Did Not Become a Law Excellent mix of scholarly and engaging journalistic selections Scholarly selections include Richard Neustadt and George Edwards journalistic selections include Robert Reich and George Reedy *Inventing the American Presidency* Thomas E. Cronin,1989 In fourteen essays supplemented by relevant sections of and amendments to the Constitution and five Federalist essays by Hamilton provides the reader with the essential historical and political analyses of who and what shaped the presidency **The Advancement President and the Academy** Mary Kay Murphy,1997 They also offer important insights into the leadership characteristics of an effective advancement president as well as the overall goals and functions and this position The Advancement President and the Academy will serve as an important how to guide for those who aspire to positions in university leadership *The Presidency of Richard Nixon* Melvin Small,1999 A lively anecdotal account features every facet of Nixon s controversial administration just in time for the 25th anniversary of his history making resignation from the presidency 23 photos **The Age of Impeachment** David E. Kyvig,2008 A Bancroft Prize winning historian chronicles the modern history of impeachment and the shift in American politics and constitutional culture revealed by its evolving interpretation and use **The Presidency Reappraised** Thomas E. Cronin,Rexford Guy Tugwell,1977 **The Prudential Presidency** Ethan M. Fishman,2001 Annotation Views the Aristotelian model for political leadership as the most realistic and comprehensive paradigm for understanding a successful presidency **Pragmatic Illusions** Bruce Miroff,1974 The Strategic Presidency James P. Pfiffner,1996 The best book on the importance of presidential transitions to the long term successes of administrations Contemporary scholars and practitioners will be especially interested in Pfiffner s treatment of the problems that surrounded the Clinton administration s troubled start Mark J Rozell author of Executive Privilege **The Presidency of Lyndon B. Johnson** Vaughn Davis Bornet,1983 Presents an assessment of the Johnson administration including the Vietnam issue *The Presidency of James Earl Carter, Jr* Burton Ira Kaufman,Scott Kaufman,2006 A thoroughly revised updated and newly illustrated version of the Gaddis Smith called the best book on the totality of the Carter presidency The new edition includes more on the former president s foreign and environmental policies and expands coverage of the personal Carter as well as his wife Rosalyn s activist role during his administration **The Presidency of Woodrow Wilson** Kendrick A. Clements,1992 Describes the goals and accomplishments of the Wilson
