*Worship at a Crossroads* Melinda A. Quivik, 2023-04-13 This book calls Protestant churches and the ELCA in particular to a church wide conversation about racism It is a response to the 2019 book *Dear Church* by Lenny Duncan a former Lutheran pastor who is Black and who among other reparations calls for changing the church's worship in order to address segregated Sundays Changes in worship affect theological foundations Informed consideration is essential Because entering into life changing conversations requires vulnerability and commitment this book includes several narratives my life as a White woman and pastor the history of the Black church as defined by Black theologians the development of the liturgical renewal movement and my experiences as a professor navigating worship conflicts as my seminary struggled with financial constraints and a changing student body The seminary conflicts offered me a window into how better to address racism inspired by the example of post WWII German truth telling and how some US Southern states have come to grips with the history of the Jim Crow South described in Susan Neiman's *Learning from the Germans* This book outlines a way forward for churches in responding to racism by encouraging healthy engagement with contentious relationships as a necessity for healing

*The Message in the Music*, 2010-12-01 The definitive guide to the meaning of today's most popular praise and worship songs Few things influence Christians understanding of the faith more than the songs they sing in worship The explosion of praise and worship music in the last fifteen years has profoundly affected our experience of God So what are those songs telling us about who God is In what ways have they made us more faithful disciples of Jesus Christ In what ways have they failed to embody the full message of the gospel Working with the lists of the most frequently sung praise and worship songs from recent years the authors of this book offer an objective but supportive assessment of the meaning and contribution of the Christian music that has been so important in the lives of contemporary believers
