Becoming The Experience Maker (2nd Edition) Dan Gingiss, 2025-04-22 In today's competitive marketplace companies can no longer compete on price or product alone. The real game changer is Customer experience. But creating remarkable experiences that customers want to share doesn't have to be complicated or expensive. In *Becoming The Experience Maker*, Dan Gingiss introduces the proven WISER framework: Witty, Immersive, Shareable, Extraordinary, and Responsive, showing businesses how to transform ordinary customer interactions into powerful word-of-mouth marketing opportunities. Packed with 50 real-world case studies from a variety of industries, this book provides a practical framework that businesses of any size can use to create customer loyalty and sustainable growth. Inside this expanded second edition, you'll discover a step-by-step framework for creating memorable customer experiences, practical strategies for both B2B and B2C businesses, insights on today's biggest challenges including AI, crisis management, and digital experience design, how to foster a customer-centric culture where every employee plays a role, and more. From Fortune 500 companies to small businesses and nonprofits, *Becoming The Experience Maker* provides the roadmap to gaining a true competitive edge. Because when your customers are your biggest advocates, business growth becomes sustainable. For every business that suspects their only true differentiator is customer experience, this is the indispensable playbook for making it work. Jay Baer, Author of 7 books including *The Time to Win*, *Studio Sound and Broadcast Engineering*, 1995, *Billboard*, 1996-05-04. In its 114th year, *Billboard* remains the world's premier weekly music publication and a diverse digital events, brand content, and data licensing platform. *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital, and mobile entertainment issues and trends. **The Wall Street Journal**, 2004. *Service Management and Marketing Principles*, Jay Kandampully, David J. Solnet, 2024-06-07. This book explores the service economy and challenges that all organizations face as goods and services make way for a world where customers B2C and businesses B2B seek seamless, thoughtful, and exceptional experiences. This book introduces readers to a range of interrelated topics and the application of service management and marketing theories which are fundamentally critical to the success of all enterprises seeking competitive advantage through enhanced customer experience. This book analyses management and marketing challenges in the service and experience economy and provides insights into how marketers and managers can strike a balance between supply, demand, price, and quality and leverage technology for operational efficiency and to better manage customer service and expectations. Through the coverage of critical foundational topics from how value is created to the evolution of global economies from goods to services to experiences, foundations of customer-centric management, managing service workers, integrating human touch with high-tech service, and many others, the authors provide a holistic understanding of management in a complex, globally interconnected world. This book will be useful for students, researchers, and instructors of business management, marketing, commerce, and economics. It will also be of interest to professionals.
