Leading With Values Neil Malhotra, Ken Shotts, 2022-02-17 As societies become more polarized there is increasing pressure for business leaders to have a sense of purpose and to make moral decisions Being a good leader requires both a keen understanding of the realities of human decision making as well as an analysis of what is right and wrong This book integrates lessons from three intellectual traditions psychology philosophy and political economy to guide readers on a journey to rigorously explore their values and decision making The authors begin

by examining people's intuitions about right and wrong. They then clarify principles that embody these intuitions and help readers engage with others whose intuitions or principles differ from their own. Ultimately, this book teaches readers how to be strategic as they lead with their values as individuals, as designers of organizations, and as businesspeople interacting with societal institutions.

Hype Gabrielle Bluestone, 2021-04-06 *Hype* is the best kind of nonfiction: juicy, sharp, savage, and wildly entertaining, with a celebrity behaving badly on every page. What more could you want? Cat Marnell, *New York Times* bestselling author of *How to Murder Your Life*. From former *Vice* journalist and executive producer of hit Netflix documentary *Fyre* comes an eye-opening look at the con artists, grifters, and snake oil salesmen of the digital age and why we can't stop falling for them. We live in an age where scams are the new normal. A charismatic entrepreneur sells thousands of tickets to a festival that never happened. Respected investors pour millions into a startup centered around fake blood tests. Reviewers and celebrities flock to London's top-rated restaurant that's little more than a backyard shed. These unsettling stories of today's viral grifters have risen to fame and hit the front-page headlines, yet the curious conundrum remains: Why do these scams happen? Drawing from scientific research, marketing campaigns, and exclusive documents and interviews, former *Vice* reporter Gabrielle Bluestone delves into the irresistible hype that fuels our social media ecosystem, whether it's from the trusted influencers that peddled *Fyre* or the consumer reviews that sold Juicero. A cultural examination that is as revelatory as it is relevant, *Hype* pulls back the curtain on the manipulation game behind the never-ending scam season and how we as

consumers can stop getting played
