Basic Training for Spiritual Warfare Steven Wiederwax, 2018-10-15 The Personality of God is the first book in a planned series called the Basic Training for Spiritual Warfare The Personality of God is based on Paul's writing to the Corinthians 1 Cor 14:12 and 2 Cor 3:18 and his comparison of looking into a mirror we see unclearly the face of God and how it becomes clearer and more distinct as we are changed into the image of God This reflection we see is of the spiritual image of God and not his physical image This truth begs for the answer to what is God's spiritual nature or what are the personality traits of God that comprise this nature The Personality of God strives to answer this question by addressing the nature of God as it is revealed in the Bible Using both historical and modern Bible commentaries on scripture that documents God's personality the traces the evolution of thought concerning God's individual personality traits is explored Additionally where appropriate the book cites Biblical dictionaries and lexicons to explore the original Hebrew and Greek meanings of the various words to describe God's personality and the challenges facing the translators of the various Bible versions faced in accurately portraying what was written by the authors of the different books of the Bible Isaiah wrote that God teaches us and that we learn precept upon precept line upon line a little here and a little there Is 28:10 Thus the Personality of God is intended to help teach us new precepts that our knowledge of God may increase The Personality of God is intended to help Christians to a greater knowledge and understanding of what it means to be more like God For Pastors and Sunday School teachers it can be used as a reference to help strengthen and encourage their congregation and students of becoming a strong witness for Christ

The Church School Journal ,1878 *The Linking Ring* ,1956 *Jesus and His Parables* V. George Shillington,1997-01-01 A complete range of modern approaches to interpreting the parables Not only a textbook but readable and accessible and as engaging to the general reader as to the scholar and minister **The Strand Magazine** ,1923 *The Third Gospel for the Third World: no. 17:10* Herman Hendrickx,1996 **The New Testament in Cross-Cultural Perspective** Richard L. Rohrbaugh,2006-10-15 The Bible is not a Western book and the world of the New Testament is not our world The New Testament world was preindustrial Mediterranean and populated mostly by nonliterate peasants who depended on hearing these writings read aloud Only a few of the literate elite were part of the Jesus movement and they knew nothing of either modernity or the Western culture we inhabit today This means that for all North Americans reading the New Testament is always an exercise in cross cultural communication Travelers diplomats and exchange students take great pains to bridge the cultural gaps that cloud mutual understanding But North American readers habitually suspend cross cultural awareness when encountering the Bible The result is that we unwittingly project our own cultural understandings onto the pages of the New Testament Rohrbaugh argues that to whatever degree we can bridge cultural gaps between ourselves and New Testament writers we learn to value their intentions rather than the meanings we create from their words Rohrbaugh's insightful interpretations of Gospel passages go a long way toward helping to span distances between the New Testament world and the present *The great mace, and other corporation insignia of the borough of Leicester, a paper* William Kelly (F.S.A.),1875 **Select Notes on the International Lessons** Mary Abby Thaxter Peloubet,1880 Includes Practical hints to teachers by Rev A F Schauffler **Robe and Ring** Melita Denning,Osborne Phillips,1974 **The Sunday-school World** ,1881
