**Eat Stop Eat. Intermittent Fasting Diet to Have More Energy and Lose Weight (with the Best Recipes)** Mary Nabors, 2021-09-15 If you truly want to lose weight in a sustainable way feel great about yourself and improve your overall health then you really need to read this book Most people are trying to find the right solution to lose weight have tried all

sorts of diets but didn't get too far with those diets. Why? Because it's extremely hard to stick to them and immediately after it people will start gaining weight just like they were never on a diet. You don't want this unpleasant surprise to happen to you, so the real question you need to ask yourself is: Do you want to lose weight and remain fit while you are having your favorite food? If the answer is yes, then you need a lot more than a diet; you need a completely new lifestyle. You really don't have to look further than this book to find the perfect inspiration for your new lifestyle. The Eat Stop Eat Program. Intermittent Fasting tends to be the most sustainable way to burn fat. That's right: you will burn fat and lose weight, but you will not lose muscle mass if you follow the simple principles of this Intermittent Fasting program. This book will provide you with valuable tips and tricks about what you need to eat in order to make your body burn fat, how you need to structure your day to maximize the results of this procedure, how you need to exercise to burn fat and not lose muscle mass. Intermittent Fasting may sound very difficult for many people, but the Eat Stop Eat program is the easiest and most accessible program you can do. Even if you have never fasted before, you can still easily cope with this program and experience the full benefits of it. If you want to fall in love with Intermittent Fasting, start with this program first. I promise that you won't be disappointed after trying this method, and you will discover how easily you can stick to it, unlike the previous diets you have tried. Of all the Intermittent Fasting programs, this is my favorite as it allows me to enjoy the benefits of fully nutritional meals combined with the fat loss and overall health benefits of Intermittent Fasting. You will probably find plenty of information online about Intermittent Fasting, but there aren't too many sources that will let you know what to eat in order to maximize the results of this program. If you are looking for such information, look no further as this book is exactly what you need. So what are you waiting for? Buy this book now.
