Petook An Easter Story:

Petook Caryl Houselander, 1988 *Petook* the rooster witnesses the crucifixion of Christ and rejoices in the birth of new chicks three days later on Easter morning Books That Build Character William Kilpatrick, Gregory Wolfe, Suzanne M. Wolfe, 1994-11 William Kilpatrick's recent book *Why Johnny Can't Tell Right from Wrong* convinced thousands that reading is one of the most effective ways to combat moral illiteracy and build a child's character This follow up book featuring evaluations of more than 300 books for children will help parents and teachers put his key ideas into practice *Sharing the Easter Faith with Children* Carolyn C. Brown, 2011-07-01 *Sharing the Easter Faith with Children* is theologically sound biblically focused educationally on target and developmentally appropriate Carolyn Brown writes clearly and helpfully with conviction and passion for what to share and how to share one's faith with children It should be required reading for every parent educator and pastor who wants to communicate and celebrate the Easter faith with children Brown packs a lot of practical suggestions insights and activities into this very readable resource I am confident children will mature in their understanding and affirmation of the Easter faith when they have been nurtured in families and congregations that take seriously what Brown offers Donald Griggs author of *Teaching Today's Teachers to Teach* It is easy to share the Christmas story and faith with children The story is beautiful and lends itself well to pageants and other celebratory events for children It is not so easy to share the Easter story and faith with children because the message and images are complex Many parents have trouble articulating what Easter means to them personally much less answering their children's questions In many congregations children are featured in palm parades on Palm Sunday but they are not specifically planned for at other Holy Week services When schools schedule an Easter break many families go away and thus unintentionally bypass the whole Easter message for years This book explores what the Easter message can mean to children as they grow up The author helps congregations and families share the Easter message with their children and include the children meaningfully in Lent Holy Week and Easter observances Included are materials for children from birth in the church nursery to age 12 and reproducible pages to create a booklet for parents The first section of the book describes the particular parts of the Easter faith that are important to children at different ages and comments on the biblical Easter texts from a child's point of view The second part of the book works through the Lenten season describing ways congregations can include children and providing program and worship plans including Lenten disciplines for children and their families Ash Wednesday Celebrating Palm Sunday or looking ahead on Passion Sunday Maundy Thursday Recalling the Last Supper Keeping Good Friday The church sponsored Easter Egg Hunt Easter Sunday Morning Another part of the book offers help to leaders who want to share the content with teachers parents or committees Also included is a comprehensive list of related resources This carefully researched and well grounded practical resource from a highly regarded Christian educator will strengthen your educational ministry with children and support parents as they shape the faith of their children Petook Tomie dePaola, 2021-03-08

Petook is a snowy white rooster and proud of his wife's new brood of chicks and quick to protect them from an intruding young stranger named Jesus walking through the garden. But when he sees the child kneeling in wonder and caressing his newborn chicks, Petook is soothed and crows happily. Years later, Petook whose home is in sight of Calvary's hill is awaiting another hatching and becomes strangely agitated when he sees men being lifted onto crosses there. He doesn't know that one of the men being crucified is the same boy who visited Petook's family long ago. But three days later on Easter morning as a new brood of chicks hatches that coincides with the Resurrection of the stranger, Petook is inspired to crow with great joy celebrating the mystery of new life.
