Phallicism Transfigured:

Sex As Symbol Ph. D. Alvin Kuhn, 2005-12-01 There is a fell quality to the mating urge that gives it the force of a natural and unimpeachable authority which appears for a time to sweep away every obstacle and override the obstructing power of every consideration whether of advantage or injury It carries a virtual cosmic sanction with it from Love and Hate How does gender and the sex drive manifest itself across human cultures How is the dual nature of humanity male and female spiritual and physical animal and divine expressed in the tangible world Alvin Boyd Kuhn a prominent proponent of the early 20th century doctrine of theosophy which sought to find the universal truths that underlie all human religions here explores the hidden connections across cultures that unify rites and customs found around the globe circumcision the secondary status of women myths about communion with deities and more In fluid prose that approaches a stream of consciousness reverie this treatise seeks to uncover a fundamental basis for human ideas about sex gender and love American philosopher and scholar of comparative religion ALVIN BOYD KUHN 1880 1963 is also the author of Theosophy 1930 and The Lost Light 1940
