A List of British Birds British Ornithologists' Union,1883 *The Century Dictionary and Cyclopedia* William Dwight Whitney,1895 *Spirits of Community* K. D. M. Snell,2016-06-16 Concern about the decline of community and the theme of community spirit are internationally widespread in the modern world The English past has featured many representations of declining community expressed by those who lamented its loss in quite different periods and in diverse genres This book analyses how community spirit and the passing of community have been described in the past whether for good or ill with an eye to modern issues such as the so called loneliness epidemic or the social consequences of alternative structures of community It does this through examination of authors such as Thomas Hardy James Wentworth Day Adrian Bell and H E Bates by appraising detective fiction writers analysing parish magazines considering the letter writing of the parish poor in the 18th and 19th centuries and through the depictions of realist landscape painters such as George Morland K D M Snell addresses modern social concerns showing how many current preoccupations had earlier precedents In presenting past representations of declining communities and the way these affected individuals of very different political persuasions the book draws out lessons and examples from the past about what community has meant hitherto setting into context modern predicaments and judgements about spirits of community today *The English Countryside Between the Wars* Paul Brassley,Jeremy Burchardt,Lynne Thompson,2006 Organised into sections on society culture politics and the economy and embracing subjects as diverse as women novelists and village crafts this book argues that almost everywhere we look in the countryside between the wars there were signs of new growth and dynamic development Etymological Dictionary of the English Language Skeat,1884 **The Birds of the British Islands** Charles Stonham,1910 *The Anabasis* Xenophon,1875 **Johnson's Universal Cyclop:dia** ,1895 **A Hand-book to the Game Birds** William Robert Ogilvie-Grant,1896 An Etymological Dictionary of the English Language Walter William Skeat,1879 **The Century Dictionary** William Dwight Whitney, *A Hand-book to the Game-birds: Pheasants (continued), megapodes, curassows, hoatzins, bustard-quails* William Robert Ogilvie-Grant,1897
