Phenomenology of Space and Time Anna-Teresa Tymieniecka, 2014-04-26 This book celebrates the investigative power of phenomenology to explore the phenomenological sense of space and time in conjunction with the phenomenology of intentionality the invisible the sacred and the mystical It examines the course of life through its onto-poietic genesis opening the cosmic sphere to logos The work also explores on the one hand the intellectual drive to locate our cosmic position in the universe and on the other the pull toward the infinite It intertwines science and its grounding principles with imagination in order to make sense of the infinite This work is the first of a two part work that contains papers presented at the 62nd International Congress of Phenomenology The Forces of the Cosmos and the Onto-poietic Genesis of Life held in Paris France August 2012 It features the work of scholars in such diverse disciplines as biology anthropology pedagogy and psychology who philosophically investigate the cosmic origins of beingness Coverage in this first part includes Toward a New Enlightenment Metaphysics as Philosophy of Life Transformation in Phenomenology Husserl and Tymieniecka Biologically Organized Quantum Vacuum and the Cosmic Origin of Cellular Life Plotinus Enneads and Self Creation The Creative Potential of Humor Transcendental Morphology A Phenomenological Interpretation of Human and Non Human Cosmos and Cognition and Emotion From Dichotomy to Ambiguity

Dictionary Of Modern American Philosophers John R. Shook, 2005-05-15 The Dictionary of Modern American Philosophers includes both academic and non academic philosophers and a large number of female and minority thinkers whose work has been neglected It includes those intellectuals involved in the development of psychology pedagogy sociology anthropology education theology political science and several other fields before these disciplines came to be considered distinct from philosophy in the late nineteenth

century Each entry contains a short biography of the writer an exposition and analysis of his or her doctrines and ideas a bibliography of writings and suggestions for further reading While all the major post Civil War philosophers are present the most valuable feature of this dictionary is its coverage of a huge range of less well known writers including hundreds of presently obscure thinkers In many cases the Dictionary of Modern American Philosophers offers the first scholarly treatment of the life and work of certain writers This book will be an indispensable reference work for scholars working on almost any aspect of modern American thought

Phenomenology: East and West Frank M. Kirkland,D P Chattopadhyaya,1993 To know the work of Jitendra Nath Mohanty even slightly is to commence to appreciate it immensely Lucidity and sagacity have been its armor originality and ingenuity have been its strength And wearing the former and wielding the latter have become so persistent a mark of his work as to suggest that their appeal for Mohanty lies altogether more in the refined reaches of philosophical craftsmanship than on the coarse ground of intellectual partisanship The multifaceted character of his work in phenomenology and Indian philosophy has never left us palled by its significance and as a consequence has always left us conceding its command on our philosophical discourse It has fulfilled the most welcomed promise of striking the chords of both imagination and reason by exposing Husserlian phenomenology to the concerns of both the so called analytical and continental traditions and by exposing the philosophical tradition of Indian thought to the intricacies of Husserl Although charting and periodizing the body of Mohanty s work in phenomenology may be the function of a memory inconspicuous for originality and liveliness they nonetheless offer a precis conspicuous for the variety of topics that Mohanty has both engaged and enriched Mohanty s career in phenomenology can be characterized by three phases each concentrating on different themes but with the latter two also epitomizing a more incisive and deeper discussion of the issues raised in the first
