Philby The Life And Views Of The Kgb Masterspy:

Philby Phillip Knightley,1988 **Philby** Phillip Knightley,1989 **Encyclopedia of Cold War Espionage, Spies, and Secret Operations** Richard Trahair,2012-01-10 The only comprehensive and up to date book of its kind with the latest information *British Intelligence, Strategy and the Cold War, 1945-51* Richard J. Aldrich,2005-08-12 The Cold War is often considered to be the quintessential intelligence conflict Yet secret intelligence remains the missing dimension of Britain s Cold War history This volume offers an authoritative picture of Britain s clandestine role in the development of the Cold War focusing upon the key issues of intelligence and strategy Cold Warriors Duncan White,2019-08-29 White handles hefty quantities of research effortlessly combining multiple biographies with a broader overview of the period His energetic anecdote laden prose will have you hooked all the way from Orwell to le Carr Sunday Times Books of the Year Cold Warriors reads like a thriller ambitious intelligent searching history The Times In this age of 24 hour news coverage where rallying cries are made on Twitter and wars are waged in cyberspace as much as on the ground the idea of a novel as a weapon that can wield any power feels almost preposterous The Cold War was a time when destruction was merely the press of a button away but when the real battle between East and West was over the minds and hearts of their people In this arena the pen really was mightier than the sword This is a gripping richly populated history of spies and journalists protest and propaganda idealism and betrayal And it is the story of how literature changed the course of the Cold War just as much as how Cold War would change the course of literature Using hitherto classified security files and new archival research White explores the ways in which authors were harnessed by both East and West to impose maximum damage on the opposition how writers played a pivotal role sometimes consciously often not in the conflict and how literature became something that was worth fighting and dying for With a cast that includes George Orwell Arthur Koestler Graham Greene Boris Pasternak Andrei Sinyavsky Mary McCarthy and John le Carr and taking the reader from Spain to America to England and to Russia this is narrative history at its most enthralling and most pertinent pertinent because even if on the face of it there is a huge difference between 140 characters and 100 000 words at the heart of both is the power of stories to change the fate of nations Secret Lives Michael Richard Daniell Foot,2002 Following on from the success of Brief Lives published in 1997 and Political Lives Stage and Screen Lives and Literary Lives published in 2001 Secret Lives which will publish alongside three other titles Royal Lives Military Lives and Musical Lives will be a welcome addition to the series to anyone with an interest in the secret underworld of political and military intrigue What is it like to be a spy What makes someone decide to lead a secret life What qualities do such people have in common How do they get away without being detected How do they slip up How are they found out What makes their life so extraordinary What makes their life so ordinary Why did Kim Philby become a spy What events first sparked Sir Colin McVean Gubbins s interest in irregular warfare What part did businessman Greville Wynne play in the Cuban missile crisis Who really was Guy Fawkes Eminent historian and former wartime

intelligence officer M R D Foot has made a personal selection of around 100 mini biographies taken from the archives of the Dictionary of National Biography of some of the men and women who have in their lifetime made themselves famous or made themselves infamous working in secret intelligence Viewed individually each article in this collection is a permanent historic record of a life in a particular period in time from the times of Guy Fawkes to the end of the last century Viewed as a collection the biographies allow for a fascinating tour through the history of secret intelligence Entries include Benedict Grinsburg on Edith Cavell Christopher Andrew on Sir M G S Cumming Sidney Lee on Guy Fawkes Peter Wilkinson on Sir Colin McVean Gubbins Nigel Clive on Kim Philby M R D Foot on Violette Szabo Sidney Lee on Sir Francis Walsingham John Hamilton on William Windham M R D Foot on Greville Maynard Wynne The Gouzenko Affair Carleton University.
