Philip Larkin: A Writer's Life Andrew Motion, 2019-05-02 Philip Larkin A Writer's Life won the Whitbread Award for Biography in 1993 and was championed as an exemplary biography of its kind The Times With a new introduction written by the author this edition offers an engrossing portrait of one of the twentieth century's most popular and most private poets There will be other lives of Larkin but Motion's like Forster's of Dickens will always have a special place John Carey Sunday Times Larkin lived a quietly noble and exemplary version of the writer's life Motion affectionate but undeceived about the man's frailties a diligent researcher and a deft reader of poetry has written an equally exemplary Life of him Peter Conrad Observer Honest but not prurient critical but also compassionate Motion's book could not be bettered Alan Bennett London Review of Books

First Boredom, Then Fear Richard Bradford, 2005 The trajectory of his poetic writing was influenced principally by his friendship with Kingsley Amis Without Larkin Amis's immensely successful first novel Lucky Jim would not have been written Its success caused Larkin finally to abandon his own ambitions as a novelist to concentrate exclusively on his poetry and his poetry would thereafter become his autobiography Larkin's poetry is in its own right magnificent and readers of Bradford's biography will be able to extend their appreciation of his art to an acquaintance with the artist at work Jacket

Philip Larkin James Booth, 2014-08-28 Philip Larkin was that rare thing among poets a household name in his own lifetime Lines such as Never such innocence again and Sexual intercourse began In nineteen sixty three made him one of the most popular poets of the last century Larkin's reputation as a man however has been more controversial A solitary librarian known for his pessimism he disliked exposure and had no patience with the literary circus And when in 1992 the publication of his Selected Letters laid bare his compartmentalised personal life accusations of duplicity faithlessness racism and misogyny were levelled against him There is of course no requirement that poets should be likeable or virtuous but James Booth asks whether art and life were really so deeply at odds with each other Can the poet who composed the moving Love Songs in Age have been such a cold hearted man Can he who uttered the playful self deprecating words Deprivation is for me what daffodils were for Wordsworth really have been so boorish A very different public image is offered by those who shared the poet's life the women with whom he was romantically involved his friends and his university colleagues It is with their personal testimony including access to previously unseen letters that Booth reinstates a man misunderstood not a gaunt emotional failure but a witty provocative and entertaining presence delightful company an attentive son and a man devoted to the women he loved Meticulously researched unwaveringly frank and full of fresh material Philip Larkin Life Art and Love definitively reinterprets one of our greatest poets

Booth, 2005-08-10 James Booth reads Philip Larkin's mature poetry in terms of his ambiguous self image as lonely anti social outsider plighted to his art and as nine to five librarian sharing the common plight of humanity Booth's focus is on Larkin's artistry with words the verbal devices through which this purest of lyric poets celebrates the experience The beauty Featuring discussion for the first time of two recently discovered poems by Larkin this original and exciting new study will be of interest to all students scholars and enthusiasts of Larkin *Selected Letters of Philip Larkin, 1940-1985* Philip Larkin, 1993 Somewhere Becoming Rain Clive James, 2019-10-03 Erudite and entertaining in equal measure Somewhere Becoming Rain is a love letter from the much loved writer Clive James to one of the world's most cherished poets Philip Larkin This is the finest critic of his generation on the best poet of his lifetime The Times Clive James was a life long admirer of the work of Philip Larkin Somewhere Becoming Rain gathers all of James's writing on this towering literary figure of the twentieth century together with extra material now published for the first time The greatness of Larkin's poetry continues to be obscured by the opprobrium attaching to his personal life and his private opinions James writes about Larkin's poems his novels his jazz and literary criticism he also considers the two major biographies Larkin's letters and even his portrayal on stage in order to chart the extreme and he argues largely misguided equivocations about Larkin's reputation in the years since his death Through this joyous and perceptive book Larkin's genius is delineated and celebrated James argues that Larkin's poems adored by discriminating readers for over half a century could only have been the product of his reticent diffident flawed and all too human personality A collection to savour two fold for the genius of Larkin and the playful erudition of James Financial Times *Selected Letters of Philip Larkin, 1940-1985* Philip Larkin, 1995-08-01 A *Companion to Literary Biography* Richard Bradford, 2018-09-12 An authoritative review of literary biography covering the seventeenth century to the twentieth century A Companion to Literary Biography offers a comprehensive account of literary biography spanning the history of the genre across three centuries The editor an esteemed literary biographer and noted expert in the field has encouraged contributors to explore the theoretical and methodological questions raised by the writing of biographies of writers The text examines how biographers have dealt with the lives of classic authors from Chaucer to

contemporary figures such as Kingsley Amis *The Companion* brings a new perspective on how literary biography enables the reader to deal with the relationship between the writer and their work. Literary biography is the most popular form of writing about writing yet it has been largely neglected in the academic community. This volume bridges the gap between literary biography as a popular genre and its relevance for the academic study of literature. This important work allows the author of a biography to be treated as part of the process of interpretation and investigates biographical reading as an important aspect of criticism. Examines the birth of literary biography at the close of the seventeenth century and considers its expansion through the eighteenth, nineteenth and twentieth centuries. Addresses the status and writing of literary biography from numerous perspectives and with regard to various sources, methodologies and theories. Reviews the ways in which literary biography has played a role in our perception of writers in the mainstream of the English canon from Chaucer to the present day. Written for students at the undergraduate level through postgraduate and doctoral levels as well as academics. *A Companion to Literary Biography* illustrates and accounts for the importance of the literary biography as a vital element of criticism and as an index to our perception of literary history.

*Larkin at Sixty* Anthony Thwaite, 2010-05-20 Philip Larkin 1922-1985 was the best loved poet of his generation and the recipient of innumerable honours including the Queen's Gold Medal for Poetry and the W. H. Smith Award. In *Larkin at Sixty* a tribute to him on his sixtieth birthday twenty writers came together to celebrate the man and the poet with specially written pieces. Some of them are reminiscences, some look at aspects of his professional life as librarian, some consider his taste as it revealed itself in his writings on jazz and in his editing of the *Oxford Book of Twentieth Century English Verse*. The relationship between his novels and his poems is examined and several essays explore the poems themselves. Three poets contribute hitherto unpublished poems. Together all these illuminate with affection and insight the work, the man behind the work and the appeal of both. The editor Anthony Thwaite edited Larkin's *Collected Poems*, *Selected Letters* and *Further Requirements* and became one of Larkin's chosen literary executors.
