Philip Lorca DiCorcia Heads:

Philip-Lorca DiCorcia Philip-Lorca DiCorcia,2001-01-01 The photographer Philip Lorca diCorcia is best known for his elaborately staged scenes made to look like real life in which he meticulously plans every element of a shot lighting pose etc before taking the photograph creating the ur moment This is conceptual photography with the veneer of the documentary As such his photographs have been integral to contemporary dialogues on street photography portraiture and constructed versus spontaneous tableaux His most recent body of work titled Heads is a departure from this method Setting up shop in New York City diCorcia took unstaged pictures of passers by that follow in the street photography tradition of Paul Strand Walker Evans Harry Callahan and Robert Frank DiCorcia s work helps to redefine the genre bringing street photography into our postmodern world Intimate Metropolis Vittoria Di Palma,Diana Periton,Marina Lathouri,2008-09-25 Intimate Metropolis explores connections between the modern city its architecture and its citizens by questioning traditional conceptualizations of public and private Rather than focusing purely on public spaces such as streets caf s gardens or department stores or on the domestic sphere the book investigates those spaces and practices that engage both the urban and the domestic the public and the private The legal political and administrative frameworks of urban life are seen as constituting private individuals sense of self in a wide range of European and world cities from Amsterdam and Barcelona to London and Chicago Providing authoritative new perspectives on individual citizenship as it relates to both public and private space in depth case studies of major European American and other world cities and written by an international set of contributors this volume is key reading for all students of architecture *Artistic Creation and Ethical Criticism* Ted Nannicelli,2020-05-05 Artistic Creation and Ethical Criticism investigates an idea that underpins the ethical criticism of art but is rarely acknowledged and poorly understood namely that the ethical criticism of art involves judgments not only of the attitudes a work endorses or solicits but of what artists do to create the work The book pioneers an innovative production oriented approach to the study of the ethical criticism of art one that will provide a refined philosophical account of this important topic as well as conceptual tools that can guide future philosophizing and criticism **Flash!** Kate Flint,2017-11-28 Flash presents a fascinating cultural history of flash photography from its mid nineteenth century beginnings to the present day All photography requires light but the light of flash photography is quite distinctive artificial sudden shocking intrusive and extraordinarily bright Associated with revelation and wonder it has been linked to the sublimity of lightning Yet it has also been reviled it s inseparable from anxieties about intrusion and violence it creates a visual disturbance and its effects are often harsh and create exaggerated contrasts Flash explores flash s power to reveal shocking social conditions its impact on the representation of race its illumination of what would otherwise remain hidden in darkness and its capacity to put on display the most mundane corners of everyday life It looks at flash s distinct aesthetics examines how paparazzi chase celebrities how flash is intimately linked to crime how flash has been used to light up and

interrupt countless family gatherings how flash can stop time allowing one to photograph rapidly moving objects or freeze in a strobe and it considers the biggest flash of all the atomic bomb Examining the work of professionals and amateurs news hounds and art photographers photographers of crime and of wildlife the volume builds a picture of flash's place in popular culture and its role in literature and film Generously illustrated throughout Flash brings out the central role of this medium to the history of photography and challenges some commonly held ideas about the nature of photography itself **The Boundaries of Intellectual Property Symposium** ,2009 **Foto.
