Philippians Colossians And Thessalonians:

The Letters to the Philippians, Colossians and Thessalonians William Barclay, 2013-01-26 In this book Barclay examines three very varied but important letters from Paul Known as the Epistle of Joy his letter to the Philippians is a letter of encouragement to his dearest of friends In his letter to Colossians Paul dedicates some of his highest thinking to the relatively insignificant town of Colosse and defends the Church there from a dangerous heresy and Thessalonians Paul reassures the Christians of this town so vital in the emergence of Christianity as a world faith and firm solutions to the day to day problems which arose in the new and expanding Church

Thessalonians David Olshine, 2009-10-06 Even though nearly 2 000 years have passed since Paul wrote his letters students today are facing many of the same issues as the Philippians Colossians and Thessalonians They may be experiencing angst or hurt or they may be hearing messages that are contrary to what they know to be true about the Gospel They're probably even dealing with questions about sexuality and morality By studying these practical letters of Paul students will learn ways to faithfully cope with the trials of their day to day lives Through engaging activities and thought provoking questions that get right to the heart of Philippians Colossians and First and Second Thessalonians students will learn how to find joy in their journey discover practical instructions of faith and get encouragement for times of trial In Philippians students will learn how to tell the difference between joy and happiness and they will learn that true joy comes from serving Christ In the letter of Paul to the Colossians students will be encouraged in their faith and they will learn how to make a difference in the lives of believers and non believers alike whether they can see the impact they make or not They will also discover how to avoid false teachings In the two letters to the Thessalonians students will learn that as believers they should be living in ways that make others excited to get to know God They will also learn how to reach out for a Christian community for support when they encounter trials Written with the busy youth worker in mind *Studies on the Go Philippians Colossians and First and Second Thessalonians* provides Scriptural depth and substance to be tackled in a manageable time frame The questions are real down to earth and straight to the point to get students quickly into the text so they can hear God's word on a practical level Designed for classes youth groups and small groups this curriculum is guaranteed to get students engaged in the Bible

John Calvin's Bible Commentaries On St. Paul's Epistles To The Philippians, Colossians And Thessalonians

John Calvin, Calvin produced commentaries on most of the books of the Bible. His commentaries cover the larger part of the Old Testament and all of the new excepting Second and Third John and the Apocalypse. His commentaries and lectures stand in the front rank of Biblical interpretation. The Epistle To The Philippians stands associated with a most interesting event in the history of the progress of Christianity. While the charge given to the Apostles as to the universal promulgation of the Gospel was most explicit, it was in a gradual manner and for the most part under the guidance of circumstances seemingly

fortuitous that their sphere of labor was extended The Epistle To The Colossians is generally supposed to have been written by Paul about A D 62 in the ninth year of the reign of the Emperor Nero It bears evidence of having been written during Paul s first imprisonment at Rome The First Epistle To The Thessalonians is generally believed to have been the first Epistle written by Paul to any of the Churches of Christ It appears to have been written towards the close of A D 52 about two years subsequently to the introduction of the Gospel into Thessalonica by the instrumentality of Paul and Silas The Second Epistle To The Thessalonians appears to have been written a short time after Paul s former Epistle to that Church The Apostle had learned that some expressions in his former Epistle in reference to the hopes of Christians beyond the grave had been misapprehended by the Thessalonian converts as though he had intended to intimate that Christ s second advent was near at hand

The Epistles of Paul to the Galatians, Ephesians, Philippians, Colossians, and Thessalonians James Fergusson,1978 *Galatians, Ephesians, Philippians, Colossians, and 1st and 2nd Thessalonians* Practical Christianity Foundation,2012-10 The apostle Paul addresses specific concerns of the early church focusing on the themes of salvation by grace redemption transformation in Christ and perseverance in the face of persecution Birmingham free libraries.
