The first cultural history of the Philippines during the twentieth century *Musical Renderings of the Philippine Nation* focuses on the relationships between music performance and ideologies of nation Spanning the hundred years from the Filipino American War to the 1998 Centennial celebration of the nation's independence from Spain the book has added emphasis on the period after World War II Author Christi Anne Castro describes the narratives of nation embedded in several major musical genres such as classical music and folkloric song and dance and enacted by the most well known performers of the country including Bayanihan The Philippine National Dance Company and the Philippine Madrigal Singers Castro delves into the ideas and works of prominent native composers from the popular art music of Francisco Santiago and Lucio San Pedro to the People Power anthem of 1986 by Jim Paredes of the group Apo Hiking Society Through both archival research and ethnographic fieldwork Castro reveals how individuals and groups negotiate with and contest the power of the state to define the nation as a modern and hybrid entity within a global community *Post-Colonial National Identity in the Philippines* Greg Bankoff, Kathleen Weekley, 2017-11-22 This title was first published in 2002 Presenting a fresh understanding of the construction of Post Colonial national identity in the new context of globalization this text looks at the dilemmas of the requirement to compete in the global economy and the political demands of human rights and cultural differences The authors are concerned with the ways in which a modern state attempts to mould the identities of its citizens and the ways in which the myriad of identities in a multiethnic multicultural and multi religious population give rise to intense contradictions This important research will have implications beyond the Filipino case and will be of great interest to a wider audience as a reference for courses on Asian studies political science and history *Beauty Regimes* Genevieve Alva Clutario, 2023-02-13 Genevieve Alva Clutario traces how beauty and fashion in the Philippines shaped the intertwined projects of imperial expansion and modern nation building during the turbulent transition between Spanish US and Japanese empires **The Nation**, 1899 **Philippines: U.S. Senate and House (55th Congress, 2d Session-56th Congress, 1st Session) Documents and Reports, 1898-1900**, 1898 **Report of the Philippine Commission to the President January 31, 1900 [-December 20, 1900]** United States.
