Philosophical And Ideological Voices In Education:

Philosophical and Ideological Voices in Education Gerald Lee Gutek, 2004 Philosophical and Ideological Voices in Education contains clearly written analyses of major philosophies ideologies and theories of education and includes a primary source selection representative of each topic treated in the book Each chapter addresses the nature principles and applications of each philosophy ideology and theory to education schooling and curriculum and instruction The book provides a philosophical and ideological grid that helps students locate analyze and criticize the leading ideas in the theoretical foundations of education Publisher description [Philosophical and Ideological Perspectives on Education](#) Gerald Lee Gutek, 1997 This second edition continues to examine the major schools of philosophy of education through the systems approach It also considers the relationship of education to major ideologies such as Liberalism Conservatism and Marxism The third section on Educational Theory analyzes the impact of philosophy and ideology on educational theory and practice by examining such theories as Essentialism Perennialism Progressivism and Social Reconstructionism Although focusing on the philosophy of education this book provides a three dimensional introduction to educational ideas First it examines the major philosophical systems and ideologies that have shaped educational thought and practice Second it outlines certain ideas from philosophy and ideology to illustrate how these disciplines contribute to educational theory Third in seeking to provide a context for educational philosophy ideology and theory it includes biographical sketches of principal originators or contributors of leading ideas about education For professionals working in the field of education *A Memoir of an Educational Biographer* Gerald L. Gutek, 2024-09-01 In his interdisciplinary memoir Gerald Gutek applies history and philosophy of education to educational biography The author was guided by his focusing goals of exploring his path to becoming an educational biographer and working generalizations with his colleagues in the field Gutek s narrative begins with the author s childhood experiences that inclined him to a career in education followed by chapters on his doctoral program in the College of Education at the University of Illinois in Champaign Urbana his teaching of history and philosophy and education in the School of Education at Loyola University Chicago his research and writing of biographies of Johann Heinrich Pestalozzi and Joseph Neef and his textbook Historical and Philosophical Foundations of Education a Biographical Introduction and issues and strategies in writing about Maria Montessori Throughout the book Gutek analyzes concepts and applications he developed as an educational biographer such as parallel biographies slice of life writing reconsidering overlooked and understudied educators and the role of place and space in telling life stories ENDORSEMENTS Readers both new to educational biography or familiar with the discipline will find a valuable account of the author s long and varied career as a biographer From his childhood memory of listening to neighbors stories in his grandfather s grocery store to encounters with the important teachers in his life Gutek brings his own story to life As he recounts the influences on his personal intellectual history and the processes of his research and writing readers gain valuable insights into the methods of

an experienced educational biographer Larry Prochner University of Alberta For fifty years Gerald Gutek has been and remains one of the seminal and leading voices in the field of educational biography thus it only makes sense for him to create something new an intellectual memoir From his work on Counts in 1970 to his work on Montessori 2016 and her acolytes in the US 2020 Gutek has reliably bridged the worlds of educational history educational biography and philosophical foundations of education this work cements his legacy Gutek skillfully interweaves personal and family history with movements in educational history both formal and informal then explains how these impacted his thinking and writing Throughout this eminently readable memoir Gutek also includes political and historical context without engaging in divisiveness Scholars of life writing should give this a close reading as Gutek sprinkles nuggets of methodological brilliance throughout the manuscript Junior scholars would do well to read Gutek s more substantive sections on the methods used to write each of his books it is the academic equivalent of Master Class in textual form Ed Janak University of Toledo
