Philosophical Foundations Of Historical Knowledge:

Philosophical Foundations of Historical Knowledge Murray G. Murphey, 1944 *Philosophical Foundations of Historical Knowledge* Murray G. Murphey, 1994-01-01 *Philosophical Foundations of the Three Sociologies (RLE Social Theory)* Ted Benton, 2014-09-19 An extended historical and philosophical argument this book will be a valuable text for all students of the philosophy of the social sciences It discusses the serious alternatives to positivist and empiricist accounts of the physical sciences and poses the debate between naturalism and anti naturalism in the social sciences in new terms Recent materialist and realist philosophies of science make possible a defence of naturalism which does not make concessions to positivism and which recognizes the force of several of the anti positivist arguments from the main anti naturalist neo Kantian tradition The author presents a critical evaluation of empiricist and positivist theories of knowledge and investigates some classic attempts at using them to provide the philosophical foundation for a scientific sociology He takes the Kantian critique of empiricism as the starting point for the main anti positivist and anti naturalist philosophical approaches to the social studies He goes on to investigate the inadequacy of post Kantian arguments from Rickert Weber Winch and others both against non positivist forms of naturalism and as the possible source of a distinctive philosophical foundation for the social studies The book concludes with a critical investigation of the Marxian tradition and an attempt to establish the possibility of a materialist and realist defence of the project of a natural science of history which escapes the fundamental flaws of both positivist and neo Kantian attempts at philosophical foundation **Gustav Shpet's Contribution to Philosophy and Cultural Theory** Galin Tihanov, 2009 This book offers original research by leading scholars from the United States United Kingdom Germany France and Russia which covers the central areas of Shpet s work on phenomenology philosophy of language cultural theory and aesthetics and takes forward the current state of knowledge and debates on his contribution to these fields of enquiry The book also contains for the first time in English translation the most seminal portions of Shpet s book length study of hermeneutics which is his most significant work for contemporary students of cultural theory The first part of the book maps out Shpet s legacy in the main areas of his multi faceted work the second part examines in closer detail particular aspects of Shpet s philosophical affiliations and contributions in the framework of cultural theory phenomenology hermeneutics and in the field of Russian intellectual history the final part features the publication of extracts from Shpet s 1918 book on hermeneutics **Historical Foundations of Education** Theodore Michael Christou, 2023-03-23 This volume considers history as a foundational discipline in education It shows how history is a means for exploring what it means to be human by considering those stories sources forces and contexts that shape the way we construct narratives History is more than content no matter what we might recall from our experiences in schools The volume shows how studying history is one means of uncovering why institutions beliefs policies and practices are as they are Educational structures are like all things mutable History empowers the individual to be an actor in this process of change and to act judiciously About the

Educational Foundations series Education as an academic field taught at universities around the world emerged from a range of older foundational disciplines The Educational Foundations series comprises six volumes each covering one of the foundational disciplines of philosophy history sociology policy studies economics and law This is the first reference work to provide an authoritative and up to date account of all six disciplines showing how each field s ideas methods theories and approaches can contribute to research and practice in education today The six volumes cover the same set of key topics within education which also form the chapter titles Mapping the Field Purposes of Education Curriculum Schools and Education Systems Learning and Human Development Teaching and Teacher Education Assessment and Evaluation This structure allows readers to study the volumes in isolation by discipline or laterally by topic and facilitates a comparative thematic reading of chapters across the volumes Throughout the series attention is paid to how the disciplines comprising the educational foundations speak to social justice concerns such as gender and racial equality

Philosophical Foundations of Education Winston C. Thompson, 2023-03-23 This volume introduces philosophy as a foundational discipline of education Taking a broadly inclusive approach to the branches of philosophy it offers an accessible yet duly rigorous orientation to the field Revealing the values premises arguments and conclusions that inform contemporary philosophical discussions of education this book equips its readers with the conceptual and analytical resources necessary to engage with and make meaningful contributions to that grand discourse for years to come

About the Educational Foundations series Education as an academic field taught at universities around the world emerged from a range of older foundational disciplines The Educational Foundations series comprises six volumes each covering one of the foundational disciplines of philosophy history sociology policy studies economics and law This is the first reference work to provide an authoritative and up to date account of all six disciplines showing how each field s ideas methods theories and approaches can contribute to research and practice in education today The six volumes cover the same set of key topics within education which also form the chapter titles Mapping the Field Purposes of Education Curriculum Schools and Education Systems Learning and Human Development Teaching and Teacher Education Assessment and Evaluation This structure allows readers to study the volumes in isolation by discipline or laterally by topic and facilitates a comparative thematic reading of chapters across the volumes Throughout the series attention is paid to how the disciplines comprising the educational foundations speak to social justice concerns such as gender and racial equality

Foundations of Historical Knowledge Morton White, 1965 Social, Psychological, & Philosophical Foundations of Education, ... Annual Report University of Minnesota. College of Education, 1979 **The Philosophy of Religion on the Basis of Its History: Schelling to the present day** Otto Pfleiderer, 1887 **The History of Philosophy: Modern philosophy** George Henry Lewes, 1880 **The Philosophy of Religion on the Basis of Its History** Otto Pfleiderer, 1886 Handbook of the history of philosophy, tr. by T.A. Finlay Albert Stöckl, 1887 **Historical and Philosophical Foundations of Education** Gerald Lee Gutek, 2005 For Historical Foundations of Education and

Philosophical Foundations of Education courses Structured around major movements in world history the lives of leading educators and the philosophies and ideologies that resulted from their ideas this unique text provides a clear interdisciplinary exploration of the development of educational ideas The author takes a global perspective on the history and philosophy of education capturing the essence of educational evolution through the biographies of 23 theorists philosophers and educators This biographical focus combined with an introductory presentation of the inherent connections between education s major movements and its primary movers helps students better understand the social and historical conditions that have informed today s educational arena **The Philosophical Basis of Theism** Samue Harris (D.D.),1892

Handbook of the History of Philosophy Albert Stöckl,1887 **A History of Philosophy: German philosophy since Hegel** Johann Eduard Erdmann,1890 A History of Philosophy Johann Eduard Erdmann,1897 **History of Philosophy: History of modern philosophy. With additions by the translator, an appendix on English and American philosophy by Noah Porter, and an appendix on Italian philosophy by Vincenzo Botta** Friedrich Ueberweg,1876 **History of Philosophy, from Thales to the Present Time** Friedrich Ueberweg,1885 **History of interpretation, 8 lects. on the foundation of John Bampton** Frederic William Farrar,1886
