

A vibrant night scene of a European city square, likely Strasbourg, featuring a massive, brilliantly lit Christmas tree as the centerpiece. The tree is adorned with numerous warm white lights and colorful ornaments. In the background, historic European architecture with gabled roofs and lit windows frames the scene. A statue on a pedestal is visible on the left, and people are seen walking on the snow-covered ground. The sky is a deep twilight blue, with a few white snowflake graphics scattered in the upper right corner.
