Power Of God At Home Nurturing Our Children In Love And Grace:

Children, Youth, and Spirituality in a Troubling World, 2012-11 Editors Mary Elizabeth Moore and Almeda M Wright address the harsh challenging and delicate realities of children and youth who live as spiritual beings within a beautiful yet destructive world Providing a practical theological analysis of the spiritual yearnings expressions and challenges of children and youth in a world of rapid change dislocation violence and competing loyalties Children Youth and Spirituality in a Troubling World provides readers with a purposeful conversation on this important topic This book will serve as more than a collection it will be a genuine conversation which will in turn stir lively conversation among scholars theological students and Christian communities that seek to understand and respond more adequately in ministries to and with children and youth Contributors include Claire Bischoff Susanne Johnson Jennie S Knight Bonnie Miller McLemore Mary Elizabeth Moore Joyce Ann Mercer Veronice Miles Rodger Nishioka Evelyn Parker Luther E Smith Jr Joshua Thomas Katherine Turpin David White Almeda Wright and Karen Marie Yust

The Power of God at Home J. Bradley Wigger, 2003-01-30 The Power of God at Home by Bradley J Wigger provides both a biblical model and practical suggestions for helping the entire family become aware of God's presence in everyday life He thoughtfully reveals the powerful formative influence of family life and shows that homes are the places where some of the deepest most important learning takes place Wigger a husband father and professor of Christian education uses honest examples from his own family life that open a window to grace and encourage parents to take a second look at their own homes their own faith and how home and faith connect in their lives The Power of God at Home offers a refreshing perspective on family life revealing families as potential bearers of God's grace and blessing and telling us how we can play this role more intentionally and thoughtfully

Children and Childhood in American Religions Don S. Browning, Bonnie J. Miller-McLemore, 2009-02-16 Whether First Communion or bar mitzvah religious traditions play a central role in the lives of many American children In this collection of essays leading scholars reveal for the first time how various religions interpret reconstruct and mediate their traditions to help guide children and their parents in navigating the opportunities and challenges of American life The book examines ten religions among other topics How the Catholic Church confronts the tension between its teachings about children and actual practice The Oglala Lakota's struggle to preserve their spiritual tradition The impact of modernity on Hinduism Only by discussing the unique challenges faced by all religions and their followers can we take the first step toward a greater understanding for all of us

Understanding Children's Spirituality Kevin E. Lawson, 2012-03-22 How important is childhood in the spiritual formation of a person How do children experience God in the context of their lives as they grow What does God do in the lives of children to draw them to himself and help them grow into a vital relationship with him How can adults who care about children better support their spiritual growth and direct it toward relationship with God through Jesus Christ These are critical questions that church leaders face as they consider how best to nurture the faith of the children God brings into our lives In this book over two

dozen Christian scholars and ministry leaders explore important issues about the spiritual life of children and ways parents church leaders and others who care about children can promote their spiritual formation *Parenting with Love and Laughter* Jeffrey D. Jones, 2002-09-30 In this wise and witty book author youth expert and practicing minister Jeffrey D Jones brings to light the spiritual aspects of parenting that are often ignored by popular experts and gurus Jones shows you how to attend to your own inner spiritual life and to the quality of your relationships within your family By doing so we you re envision parenting as a transformative joyful and spiritual practice rather than merely a set of rules and regulations or tips and techniques Parenting with Love and Laughter is a conversation about families and parenting that is filled with inspiration gleaned from scripture reflections on Jeffrey D Jones s own experience of family life and wisdom he has gathered from years of service in the ministry In addition this warm and wonderful book features a bonus section at the end that provides simple designs and suggestions for group meeting perfect for retreats workshops adult education classes and parenting support groups Use this blueprint for parenting to introduce love and laughter into your family life Encyclopedia of Christian Education George Thomas Kurian, Mark A. Lamport, 2015-05-07 Christianity regards teaching as one of the most foundational and critically sustaining ministries of the Church As a result Christian education remains one of the largest and oldest continuously functioning educational systems in the world comprising both formal day schools and higher education institutions as well as informal church study groups and parachurch ministries in more than 140 countries In The Encyclopedia of Christian Education contributors explore the many facets of Christian education in terms of its impact on curriculum literacy teacher training outcomes and professional standards This encyclopedia is the first reference work devoted exclusively to chronicling the unique history of Christian education across the globe illustrating how Christian educators pioneered such educational institutions and reforms as universal literacy home schooling Sunday schools women s education graded schools compulsory education of the deaf and blind and kindergarten With an editorial advisory board of more than 30 distinguished scholars and five consulting editors The Encyclopedia of Christian Education contains more than 1 200 entries by 400 contributors from 75 countries These volumes covers a vast range of topics from Christian education History spanning from the church s founding through the Middle Ages to the modern day Denominational and institutional profiles Intellectual traditions in Christian education Biblical and theological frameworks curricula missions adolescent and higher education theological training and Christian pedagogy Biographies of distinguished Christian educators This work is ideal for scholars of both the history of Christianity and education as well as researchers and students of contemporary Christianity and modern religious education A Community of Love David M. Thomas, 2007 A Community of Love will be welcomed by families and all those who minister with them Each chapter begins with a reflection on family by Pope John Paul II or Pope Paul VI and concludes with an original poem by the author In between are his practical ideas examples stories and convictions about how families function best when they are in tune with the divine plan Chapters include Heart Charged

Moments Family Prayer Ordinary Holiness The School of Love Ups and Downs The Domestic Church *Children's Voices* Annemie Dillen, Didier Pollefeyt, 2010 This book deals with themes concerning religious education and the spirituality of children Throughout the seventeen chapters the book stimulates a scholarly discussion about children and theology The book makes clear that classical Christian theology can benefit from taking seriously children's voices and reflections about children The volume demonstrates how nuanced and interdisciplinary reflections can be relevant for Christian and social practices of adults with children and how these practices can influence theology This volume asks the following questions Why is it important that we hear the voices of children and what does this mean for how we treat children and relate to them What do the voices of children express How do children experience society and in particular religion and what do they have to say about it What do the voices of children mean for theology ethics and religious education In what way can our theology change when we see reality from the perspective of children This book consists of five parts In the first part the reader receives an overview of the current challenges concerning children and spirituality The two chapters of this part offer an introduction to contemporary thinking about children theology and spirituality and the place of children's voices within this scope The second part refers to biblical sources for contemporary theological reflection on children The third part contains pedagogical and ethical reflections on children as well as a view from practical theology about children in the world and the responsibility of churches This third part looks mainly at children in relation to society both in the past and in the present The fourth part focuses on children living in the family which is seen as a domestic church The fifth part takes up the theme of children's spirituality again showing children's own spiritual reflection and ways of theologizing with children in church and family contexts by communication literature and all forms of religious education and or catechesis How to Raise Children for Christ Andrew Murray, 2016-11-01 I will put my trust in Him Behold I and the children which God has given me Hebrews 2:13 This book is different from most books on raising children It is a plea for the parents to truly know and walk with God for them to love God and His Word In the correct order focusing first on the parents Andrew Murray then urges parents to sincerely and consistently love their children and in all tenderness and gentleness teach them as God also teaches us Children are a most precious gift that we receive from God and they deserve our very best Our faithful training will not be lost on our children this is a promise found over and over again in the Scriptures If our hearts are right towards God and our children the world's influence will not impact our children We can and must exercise faith so our children and our children's children will be able to impact the world for Christ and inherit eternal blessings A few of the parenting topics covered in this book What sin did to the family and how to redeem that which was lost The distinct and also shared roles of fathers and mothers How and why to teach children manners How to show children the Scriptures in a way that takes root in the heart How to teach with a quiet gentle spirit as God teaches us How to intercede effectively in prayer for our children
