Madueke, Bible Study With Video Access Link Included. Some secrets the devil hopes you never discover. This is one of them. Not every battle is won by shouting. Not every enemy is cast out with a loud prayer. Some victories come by invoking the one thing hell fears the most: the blood of Jesus. There's a reason the early Church taught new believers to plead the blood. There's a reason demons tremble when they hear it. There's a reason certain attacks only stop when this spiritual weapon is activated. This book is not just about prayer. It is about understanding why the blood of Jesus is the final answer in every courtroom of darkness. Why every altar, curse, sacrifice, or satanic verdict bows before it. Why even the deepest family battles, the ones passed down silently through generations, can be broken when you learn how to pray with revelation. Inside you'll uncover why pleading the blood of Jesus works when other prayers don't. The difference between using the name of Jesus and

of salvation the full benefits of salvation the nature of sin concept of human depravity the greatest benefit of salvation the mystery of the holy communion the power to exercise dominion reign over the world s system how to live a supernatural life some powerful prayers with the blood of Jesus      The Power of the Blood of Jesus Andrew Murray, 2014-09-13 What the Scriptures Teach About the Blood Not Without Blood Heb ix 7 and 18 GOD has spoken to us in the Scriptures in divers portions and in divers manners but the VOICE is ever the same it is always the WORD of the same GOD Hence the importance of treating the Bible as a whole and receiving the witness it gives in its various portions concerning certain definite truths It is thus we learn to recognise the place these truths actually occupy in Revelation or rather in the HEART OF GOD Thus too we begin to discover what the foundation truths of the Bible are which above others demand attention Standing as they do so prominently in each new departure in God s revelation remaining unchanged when the Dispensation changes they carry a divine intimation of their importance It is my object in the chapters which follow this introductory one to show what the Scriptures teach us concerning THE GLORIOUS POWER OF THE BLOOD OF JESUS and the wonderful blessings procured for us by it and I cannot lay a better foundation for my exposition nor give a better proof of the superlative glory of THAT BLOOD AS THE POWER OF REDEMPTION than by asking my readers to follow me through the Bible and thus see the unique place which is given to THE BLOOD from the beginning to the end of God s revelation of Himself to man as recorded in the Bible
