Power Of Uniqueness How To Become Who You Really Are:

The Power of Uniqueness Arthur F. Miller, Jr., William Hendricks, Bill Hendricks, 2002 You can be anything you want to be Don't let that lie rob you of your energy and purpose in life You may function adequately at a job even forge an impressive career but unless what you do is lit by an inner fire you're just getting by Because the truth is you were created with an indelible highly personal pattern of innate giftedness and motivation Arthur Miller calls it your Motivated Abilities Pattern or MAP and it's nothing you learned It's something you were born with the thing that makes you tick and determines your successes and failures In this revolutionary book Miller invites you to explore concepts far different from anything you've ever read in a career development guide Drawing on nearly 40 years experience analyzing the achievements of over 50 000 people Miller uncovers a discovery about human nature that can literally change your life If you feel frustrated and unmotivated by your present occupation if you've spent months and even years wondering what to do with your life this book can steer you in new directions that pack incredible returns c From back cover **You Can Be You and I Can Be Me** Anni Shelton, 2006 You Can Be You And I Can Be Me gives the reader permission to joyfully be who they were created to be Comparisons competition and self doubts effortlessly disappear as validation of individuality is reinforced time and time again Beautiful illustrations add to the heartwarming sense of unconditional acceptance and value that increases with every page that is turned Delightfully inspiring to read with a message that is crucially important to instill *HAPPINESS IS MY BIRTHRIGHT* Suma Kandharaj, 2022-09-23 Happiness is my birthright is a self help book for those seeking happiness and keeping their spirits high The author serves 40 plus chapters on finding happiness in simple things done in day to day life The happiest people are the ones who live in the present and the book shares techniques to dwell in the present moment to increase mindfulness and the awareness state of mind The book helps to keep you in the flow nurture relationships and bonds increase your self esteem know your life purpose train your mind be proactive envision achieve targets face fear connect with your inner child resiliency and many more You will be motivated and inspired by following the light The book's writing style is simple yet power packed with lifetime events from the home workplace and with people that can be applied and realised in your life You are just a book away from realising that by targeting happiness as the core you can attract all that you wish in life *Becoming Resimmune* Sunil Ramkrishna Tapse, 2020-05-15 THE CHANGE IS HERE There are two ways to live life unconsciously by default or consciously as a creator by awareness and choice To date a majority of humans have lived life unconsciously and thus find themselves in this state of affairs where everything that is out of balance is crumbling Every challenge is an opportunity waiting to be capitalized This book is for those who have reached a point in life where their desire and curiosity to find their balance and centre in life has become an incessant question in their minds Are you ready to face the external change and make the change within you The 10 codes in the book are the basic foundational stepping stone to reprogramming the mind to survive and flourish at a time where humanity is in a whirlpool of external

change Humanity is at a crossroads where becoming resilient is the attribute that is to be developed to start making conscious choices from now Practicing these 10 codes will all naturally build your immunity in the process Making conscious decisions is the only way forward to rise Laterally maneuvering and shifting sideways is not really an option The only option for those who wish to survive and flourish is to internally change to sync with external change The external change is all about co existence human values and following the most important fundamental universal law That which can harm you is also harmful to others This is the essence of Dharma Our purpose as defined in the Vedanta principles Practicing these 10 codes will prepare you for the next phase of your personal transformation where you will be ready to Unleash Your Hidden Potential
