## **Power The And Pleasure Of Sex:**

Bisexuality Merl Storr,1999 Presents the reader with the essential primary texts on bisexuality for the last 100 years Exploring the often controversial concept from a range of perspectives this book places bisexuality in its historical and cultural context      **From Generation to Regeneration ; The Sex Question and the Money Power ; and The Tree of Life Between Two Thieves** Lois Waisbrooker,1890      Nietzsche as Philosopher Arthur C. Danto,2005 Few philosophers are as widely read or as widely misunderstood as Friedrich Nietzsche When Danto s classic study was first published in 1965 many regarded Nietzsche as a brilliant but somewhat erratic thinker Danto however presented a radically different picture arguing that Nietzsche offered a systematic and coherent philosophy that anticipated many of the questions that define contemporary philosophy Danto s clear and insightful commentaries helped canonize Nietzsche as a philosopher and continue to illuminate subtleties in Nietzsche s work as well as his immense contributions to the philosophies of science language and logic This new edition which includes five additional essays not only further enhances our understanding of Nietzsche s philosophy it responds to the misunderstandings that continue to muddy his intellectual reputation Even today Nietzsche is seen as everything from a precursor of feminism and deconstruction to a prophetic writer and spokesperson for disgruntled teenage boys As Danto points out in his preface Nietzsche s writings have purportedly inspired recent acts of violence and school shootings Danto counters these misreadings by elaborating an anti Nietzschean philosophy from within Nietzsche s own philosophy in the hope of disarming the rabid Nietzsche and neutralizing the vivid frightening images that have inspired sociopaths for over a century The essays also consider specific works by Nietzsche including Human All Too Human and The Genealogy of Morals as well as the philosopher s artistic metaphysics and semantical nihilism      **Mysteries Unveiled** William A. Redding,1895      **Seven Essays on the Subject of Practical Occultism** Ernest Loomis,1899

Hatmaker,2020-06-02 *Noir Affect* proposes a new understanding of noir as defined by negative affect This new understanding emphasizes that noir is first and foremost an affective disposition rather than a specific cycle of films or novels associated with a given time period or national tradition Instead the essays in *Noir Affect* trace noir s negativity as it manifests in different national contexts from the United States to Mexico France and Japan and in a range of different media including films novels video games and manga The forms of affect associated with noir are resolutely negative These are narratives centered on loss sadness rage shame guilt regret anxiety humiliation resentment resistance and refusal Moreover noir often asks us to identify with those on the losing end of cultural narratives especially the criminal the lost the compromised the haunted the unlucky the cast aside and the erotically perverse including those whose greatest erotic attachment is to death Drawing on contemporary work in affect theory while also re orienting some of its core assumptions to

address the resolutely negative affects narrated by noir Noir Affect is invested in thinking through the material bodily social and political economic impact of the various forms noir affect takes If much affect theory asks us to consider affect as a space of possibility and becoming Noir Affect asks us to consider affect as also a site of repetition dissolution redundancy unmaking and decay It also asks us to consider the way in which the affective dimensions of noir enable the staging of various forms of social antagonism including those associated with racial gendered sexual and economic inequality Featuring an Afterword by the celebrated noir scholar Paula Rabinowitz and essays by an array of leading scholars Noir Affect aims to fundamentally reorient our understanding of noir Contributors Alexander Dunst Sean Grattan Peter Hitchcock Justus Nieland Andrew Pepper Ignacio Sánchez Prado Brian Rejack Pamela Thoma Kirin Wachter Grene **Sexology** Fernando Bianco, Rubén Hernández Serrano, 1990 **Lost Subjects, Contested Objects** Deborah P.
