## **Power To The Parents:**

Power to the Parent Ishinna B. Sadana, 2024-04-25 How do you be a gentle parent and still set boundaries How do you remain calm and prepare your child to face the real world How do you face the new parenting challenges that come up almost every day This book holds the answers to the most asked questions and the most confounding dilemmas that parents today find themselves confronted with Through Power to the Parent Dr Ishinna B Sadana talks to parents to understand their most vulnerable doubts and fears provides them with a safe space without judgement or preconceived notions empowers them to deal with their children in different situations and connects with them in a positive way Using Dr Ishinna s practical ways of dealing with kids many parents have seen transformational results in their relationship with their children She writes with clarity and simplicity using real life examples and case studies so that parents can start applying the lessons they take from the book immediately and see the changes Ultimately Power to the Parent enables parents everywhere not only to raise happy and resilient children but also to become happier and more confident parents

## **Adolescent-to-Parent Abuse**

Amanda Holt, 2025-09-02 Since publication of the first edition awareness of and interest in adolescent to parent abuse has risen considerably Thoroughly revised and updated to incorporate the latest research and developments in policy and practice this second edition provides a comprehensive overview of the key issues and current responses to the challenges in dealing with this unique form of family abuse Exploring the experiences and impact of adolescent to parent abuse on individuals families and communities this book extends the field to include issues relating to neurodiversity kinship care trauma adult aged perpetration and fatal violence Throughout the book leading expert Amanda Holt challenges existing policy frameworks while offering practical insights for work with families parents carers and young people who are experiencing this problem A key text for academics researchers students and practitioners in psychology sociology criminology social work and social policy this book provides essential guidance for understanding and addressing this complex and pressing issue

The Family Jack O. Balswick, Judith K. Balswick, 2007-06 This proven resource covers every issue that affects family life The third edition includes updates to all chapters and the inclusion of current research

The Obligated Self Mara H. Benjamin, 2018-05-24 Mara H Benjamin contends that the physical and psychological work of caring for children presents theologically fruitful but largely unexplored terrain for feminists Attending to the constant concrete and urgent needs of children she argues necessitates engaging with profound questions concerning the responsible use of power in unequal relationships the transformative influence of love human fragility and vulnerability and the embeddedness of self in relationships and obligations Viewing child rearing as an embodied practice Benjamin s theological reflection invites a profound reengagement with Jewish sources from the Talmud to modern Jewish philosophy Her contemporary feminist stance forges a convergence between Jewish theological anthropology and the demands of parental caregiving

*Personal Control in Action* Mirosław Kofta, Gifford Weary, Grzegorz Sedek, 1998-06-30 This new study presents exciting international

research developments on personal control and self regulation Each chapter examines the subject at a different level of analysis to foster a complete understanding Brief synopses of each chapter are provided as introductions to the three major sections of the book These sections cover the person as an agent of control affective and cognitive mechanisms of executive agency and reactions to threatened control
