The State of Nonprofit America Lester M Salamon, 2012-05-14 Today America's nonprofit organizations seem caught in a force field buffeted by four impulses voluntarism professionalism civic activism and commercialism Too little attention however has been paid to the significant tensions among these impulses Understanding this force field and the factors shaping its dynamics thus becomes central to understanding the future of particular organizations and of the nonprofit sector as a whole In this second edition of an immensely successful volume Lester Salamon and his colleagues offer an overview of the current state of America's nonprofit sector examining the forces that are shaping its future and identifying the changes that might be needed The State of Nonprofit America has been completely revised and updated to reflect changing political realities and the punishing economic climate currently battering the nonprofit sector which faces significant financial challenges during a time when its services are needed more than ever The result is a comprehensive analysis of a set of institutions that Alexis de Tocqueville recognized to be more deserving of our attention than any other part of the American experiment

Citizen Participation in Non-profit Governance Sondra Z. Koff, 2017-09-08 Nonprofit organizations their governing structures boards of directors and their newest constituency members who represent the public at large are the subject of this book In recent years new mechanisms have been developed to link citizens with government and with diverse policy making entities Earlier it was assumed that citizens had little interest in policy deliberations and responsibility for public needs was best left to the experts Many citizens now believe that they have a legitimate right to influence how power is exercised in public organizations Koff constructs a demographic profile of public members their activities and their opinions about board membership She also catalogues the perspectives of executive directors about public members identifies specific problems related to public participation and suggests strategies to help resolve them How effectively these bodies perform and how well they respond to the public are in part determined by the talents and activities of their members All of these members especially public members need appropriate tools to be able to perform in a superior fashion Despite the importance of governing bodies to an organization's performance there has been little examination of board members in general and specifically of public members This is the first book length study on the subject
