childbirth, and postpartum.**

# Rights Of The Pregnant Parent

**Ellen Lupton, Jennifer Tobias**

## **Rights Of The Pregnant Parent:**

**Rights, Duties and the Body** Rosamund Scott, 2002-08-05 If a pregnant woman refuses medical treatment needed by the fetus for instance for religious reasons or conducts some aspect of her life in a way which risks fetal harm there may arise an instance of maternal fetal conflict This is an unfortunate term since pregnant women are generally renowned for their self sacrificing behaviour but it may well reflect the reality of certain maternal choices and actions Should a pregnant woman have the legal right to refuse medical treatment needed by the fetus or should she owe it a legal duty of care which precludes her acting in ways which may harm it Does the debate hinge simply upon the appropriateness or otherwise of legally compelling presumed moral obligations or is it more complex than this Indeed what are a pregnant woman's moral obligations towards her fetus In England and in some US states courts have held that a pregnant woman has the right to refuse medical treatment needed by the fetus In similar fashion the idea of a general maternal legal duty of care toward the fetus has been rejected most recently in Canada The cases however leave the impression of an uncomfortable split between the ethics and the law as if the problem were entirely one of not legally enforcing presumed moral duties The effect is both puzzling and polarising puzzling in that the cases leave unanswered as largely they must the huge question of a pregnant woman's moral rights and duties polarising in that the cases leave troubling tensions about a pregnant woman's rights in the face of fetal harm or death The tendency is to deny these by ever more strongly asserting a woman's rights In turn this encourages a reaction in favour of fetal rights one which is unlikely to attend to a woman's interests and difficulties in pregnancy This could have serious legal repercussions for various instances of maternal fetal conflict including in those US states or other jurisdictions which have yet to address these issues It might also increase the pressures on the issue of abortion This book which seeks a way between these polarised positions tries to explain and justify a woman's moral and legal rights in pregnancy and at the same time to explore the extent of her moral duties toward the fetus The aim is to resolve as far as possible the ethical legal and social tensions which undoubtedly surround this area Innovatively in work on this issue and unusually in the field of medical law and ethics the author adopts a joint philosophical and legal approach directed to issues both of principle and policy revealing strong conceptual links between the ethics and the law In addition to an ethical exploration of the maternal fetal relationship the author explores and analyses the relevant English American Canadian and sometimes Australian arguments from the law of treatment refusal abortion tort and rescue as well as relevant jurisprudence from the European Court of Human Rights This important book breaks new ground and will be of great interest to academics in law and philosophy lawyers health professionals policy makers and students of medical law and ethics It is rare to find a book which so skilfully combines legal and moral analysis of a controversial medical issue Rosamund Scott has produced what is undoubtedly one of the finest pieces of medico legal writing of recent years This is a clever human and immensely readable work Alexander McCall Smith Professor of Medical Law University of Edinburgh This book

concerns one of the most personally agonizing and morally complex issues in medical ethics It is a work of great philosophical sophistication combining breadth of vision with acute sensitivity to the nuances of women s experiences It will soon become the standard work in philosophical legal and political debate on maternal fetal conflicts Roger Crisp Uehiro Fellow and Tutor in Philosophy St Anne s College Oxford

**Title IX and the Protection of Pregnant and Parenting College Students** Catherine L. Riley,Alexis Hutchinson,Carley Dix,2022-05-17 This book explores the discrepancies among what protections Title IX provides to pregnant and parenting students what colleges communicate and what pregnant and parenting students actually experience To actually protect pregnant and parenting students the authors argue that a school must provide multifaceted support that is effectively communicated to an entire campus community including students who are parenting who are pregnant and who may become pregnant The first part of the book portrays the realities of pregnancy and parenting in college The chapters illuminate related Title IX applications population demographics how unplanned pregnancies in college occur and physical and mental health challenges that these students often experience The authors then discuss what compliance with Title IX legally entails and why meeting it is often an afterthought In the second half of the book the authors use mixed methods research to map the compliance landscapes of three schools in the southeast as examples a large state school a mid size private university and a small private college Offering eye opening interviews with pregnant and parenting students interdisciplinary research and proposals for multifaceted support and communication on college campuses this volume will engage students scholars and activists with an interest in higher education administration educational policy reproductive health bioethics gender studies and rhetoric

**Creating Supportive Spaces for Pregnant and Parenting College Students** Catherine L. Riley,Katie B. Garner,2023-12-01 This volume brings together interdisciplinary research theoretical perspectives and detailed explanations of examples to help colleges become supportive spaces for pregnant and parenting students Expanding the discourse around pregnant and parenting college students to a more interdisciplinary and international arena this volume follows the ground breaking monograph Title IX and the Protection of Pregnant and Parenting College Students Riley Hutchinson Dix 2022 The present volume defines this cohesive field and brings together separate voices to help colleges become supportive spaces The chapters explore academia s attitude toward motherhood families and carework the invisibility of pregnant and parenting students system wide negligence the forgotten nature of student fathers unacknowledged miscarriages organized policy change efforts involved agencies of change the troubling presence of coercion and more While arguing that barriers currently prevent colleges from becoming supportive spaces the volume asserts that improvements are both feasible and vital for ensuring that institutions of higher education are complying with Title IX a U S federal law Offering interdisciplinary research explanations of problems and paths for progress this edited volume will be useful to scholars researchers administrators and activists working to support pregnant and parenting students Various chapters will also interest those working in higher education

administration education policy reproductive health gender studies and health and organizational communication more broadly Supporting pregnant and parenting college students however is a shared responsibility belonging to all members of a campus community accordingly this volume is for every institution that plans to comply with Title IX *Rights of Single Parents* Margaret C. Jasper, 2005 Publisher Description **Resources in Women's Educational Equity**, 1980 Literature cited in AGRICOLA Dissertations abstracts international ERIC ABI INFORM MEDLARS NTIS Psychological abstracts and Sociological abstracts Selection focuses on education legal aspects career aspects sex differences lifestyle and health Common format bibliographical information descriptors and abstracts and ERIC subject terms used throughout Contains order information Subject author indexes *Handbook of Parenting* Marc H. Bornstein, 2019-02-01 This highly anticipated third edition of the Handbook of Parenting brings together an array of field leading experts who have worked in different ways toward understanding the many diverse aspects of parenting Contributors to the Handbook look to the most recent research and thinking to shed light on topics every parent professional and policymaker wonders about Parenting is a perennially hot topic After all everyone who has ever lived has been parented and the vast majority of people become parents themselves No wonder bookstores house shelves of how to parenting books and magazine racks in pharmacies and airports overflow with periodicals that feature parenting advice However almost none of these is evidence based The Handbook of Parenting is Period Each chapter has been written to be read and absorbed in a single sitting and includes historical considerations of the topic a discussion of central issues and theory a review of classical and modern research and forecasts of future directions of theory and research Together the five volumes in the Handbook cover Children and Parenting the Biology and Ecology of Parenting Being and Becoming a Parent Social Conditions and Applied Parenting and the Practice of Parenting Volume 4 Social Conditions and Applied Parenting describes socially defined groups of parents and social conditions that promote variation in parenting The chapters in Part I on Social and Cultural Conditions of Parenting start with a relational developmental systems perspective on parenting and move to considerations of ethnic and minority parenting among Latino and Latin Americans African Americans Asians and Asian Americans Indigenous parents and immigrant parents The section concludes with considerations of disabilities employment and poverty on parenting Parents are ordinarily the most consistent and caring people in children's lives However parenting does not always go right or well Information education and support programs can remedy potential ills The chapters in Part II on Applied Issues in Parenting begin with how parenting is measured and follow with examinations of maternal deprivation attachment and acceptance rejection in parenting Serious challenges to parenting some common such as stress and depression and some less common such as substance abuse psychopathology maltreatment and incarceration are addressed as are parenting interventions intended to redress these trials Extra Bold Ellen Lupton, Jennifer Tobias, 2021-06-25 Extra Bold is the inclusive practical and informative design career guide for everyone Part textbook and part comic book zine manifesto survival guide and self

help manual Extra Bold is filled with stories and ideas that don't show up in other career books or design overviews Both pragmatic and inquisitive the book explores power structures in the workplace and how to navigate them Interviews showcase people at different stages of their careers Biographical sketches explore individuals marginalized by sexism racism and ableism Practical guides cover everything from starting out to wage gaps coming out at work cover letters mentoring and more A new take on the design canon Opens with critical essays that rethink design principles and practices through theories of feminism anti racism inclusion and nonbinary thinking Features interviews essays typefaces and projects from dozens of contributors with a variety of racial and ethnic backgrounds abilities gender identities and positions of economic and social privilege Adds new voices to the dominant design canon Written collaboratively by a diverse team of authors with original handcrafted illustrations by Jennifer Tobias that bring warmth happiness humor and narrative depth to the book Extra Bold is written by Ellen Lupton Thinking with Type Farah Kafei Jennifer Tobias Josh A Halstead Kaleena Sales Leslie Xia and Valentina Vergara

### **Rights Of The Pregnant Parent Introduction**

In today's digital age, the availability of Rights Of The Pregnant Parent books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rights Of The Pregnant Parent books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rights Of The Pregnant Parent books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rights Of The Pregnant Parent versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Rights Of The Pregnant Parent books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rights Of The Pregnant Parent books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Rights Of The Pregnant Parent books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from

the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rights Of The Pregnant Parent books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Rights Of The Pregnant Parent books and manuals for download and embark on your journey of knowledge?

### **FAQs About Rights Of The Pregnant Parent Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rights Of The Pregnant Parent is one of the best book in our library for free trial. We provide copy of Rights Of The Pregnant Parent in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rights Of The Pregnant Parent. Where to download Rights Of The Pregnant Parent online for free? Are you looking for Rights Of The Pregnant Parent PDF? This is definitely going to save you time and cash in something you should think about.
