Ring Lardner:

Ring Lardner's Conflict and Reconciliation with American Society Howard William Webb, 1953 **'Un-American' Hollywood** Peter Stanfield, Frank Krutnik, Brian Neve, Steve Neale, 2007-12-27 The concept of un Americanism so vital to the HUAC crusade of the 1940s and 1950s was resoundingly revived in the emotional rhetoric that followed the September 11th terrorist attacks Today s political and cultural climate makes it more crucial than ever to come to terms with the consequences of this earlier period of repression and with the contested claims of Americanism that it generated Un American Hollywood reopens the intense critical debate on the blacklist era and on the aesthetic and political work of the Hollywood Left In a series of fresh case studies focusing on contexts of production and reception the contributors offer exciting and original perspectives on the role of progressive politics within a capitalist media industry Original essays scrutinize the work of individual practitioners such as Robert Rossen Joseph Losey Jules Dassin and Edward Dmytryk and examine key films including *The Robe* *Christ in Concrete* *The House I Live In* *The Lawless* *The Naked City* *The Prowler* *Body and Soul* and *FTA* *The Preface* Ross K. Tangedal, 2021-11-06 Building on insights from the fields of textual criticism bibliography narratology authorship studies and book history *The Preface* American Authorship in the Twentieth Century examines the role that prefaces played in the development of professional authorship in America Many of the prefaces written by American writers in the twentieth century catalogue the shifting landscape of a more self consciously professionalized trade one fraught with tension and compromise and influenced by evolving reading publics With analyses of Willa Cather Ring Lardner F Scott Fitzgerald Ernest Hemingway Robert Penn Warren and Toni Morrison Ross K Tangedal argues that writers used prefaces as a means of expanding and complicating authority over their work and ultimately as a way to write about their careers Tangedal s approach offers a new way of examining American writers in the evolving literary marketplace of the twentieth century [How You Played the Game](#) William Arthur Harper, 1999 Centering around the life and times of the revered American sportswriter Grantland Rice 1880 1954 *How You Played the Game* takes us back to those magical days of sporting tales and mythic heroes Through Rice s eyes we behold such sports as bicycle racing boxing golf baseball football and tennis as they were played before 1950 We witness ups and downs in the careers of such legendary figures as Christy Mathewson Jack Dempsey Ty Cobb Babe Ruth Jim Thorpe Red Grange Bobby Jones Bill Tilden Notre Dame s Four Horsemen Gene Tunney and Babe Didrikson all of whom Rice helped become household names Grantland Rice was a remarkably gifted and honorable sportswriter From his early days in Nashville and Atlanta to his famed years in New York Rice was acknowledged by all for his uncanny grasp of the ins and outs of a dozen sports as well as his personal friendship with hundreds of sportsmen and sportswomen As a pioneer in American sportswriting Rice helped establish and dignify the profession sitting shoulder to shoulder in press boxes around the nation with the likes of Ring Lardner Damon Runyon Heywood Broun and Red Smith Besides being a first rate reporter Rice was also a columnist poet magazine and book writer

film producer family man war veteran fund raiser and skillful golfer His personal accomplishments over a half century as an advocate for sports and good sportsmanship are astounding by any standard What truly set Rice apart from so many of his peers however was the idea behind his sports reporting and writing He believed that good sportsmanship was capable of lifting individuals societies and even nations to remarkable heights of moral and social action More than just a biography of Grantland Rice *How You Played the Game* is about the rise of American sports and the early days of those who created the art and craft of sportswriting Exploring the life of a man who perfectly blended journalism and sporting culture this book is sure to appeal to all sports lovers or not

Encyclopedia of American Humorists Steven H. Gale, 2016-04-14 First published in 1988 this book contains entries on famous American Humorists Humor has been present in American literature from the beginning and has developed characteristics that reflect the American character both regional and national Although American literature was in the past treated as inferior to British literature there has always been a large popular audience for the genre which this book shows The figures with entries in this encyclopedia not only amuse in their writing but also aim to enlighten setting out to expose the foibles and foolishness of society and the individuals who compose it It is the manner in which these authors try to accomplish this end that determines whether they appear in the volume Indeed the book will demonstrate that the best humor has at its base a ready understanding of human nature

Journal of the House of Representatives of the United States United States. Congress. House, 1947 Some vols include supplemental journals of such proceedings of the sessions as during the time they were depending were ordered to be kept secret and respecting which the injunction of secrecy was afterwards taken off by the order of the House

Twentieth Century Short Stories Sylvia Chatfield Bates, 1933 Brief biographical sketches of the authors included

Camera and Action Elaine M. Bapis, 2014-01-10 This study examines the changes in the American film industry audiences and feature films between 1965 and 1975 With transformations in production codes adjustments in national narratives a rise in independent filmmaking and a new generation of directors and producers addressing controversial issues on the mainstream screen film was a major influence on the social changes that defined these years After a contextual history of film during this era several key films are discussed including *The Graduate* *Alice's Restaurant* *Easy Rider* *Midnight Cowboy* *M A S H* *McCabe and Mrs Miller* *Little Big Man* and *The Godfather* series The author describes how these films represented a generation constructed and deconstructed American culture and made important contributions during ten years of great change in America
