insincere as deluded His failure contributed to the demise of the popularity of the Communist party in the United States In preparation for this book the author consulted the Browder Papers at Syracuse University and U S Government documents particularly the F B I files In addition he traveled to Russia for research in the Soviet Archives when recently opened to Western scholars including the records of the former Communist International and a collection of American Communist party files 1919 1944 shipped secretly to Moscow long ago Indeed until 1992 the existence of the CPUSA collection was only rumored **JPRS Report** ,1990-04
