Promotion of Social Awareness Robert L. Selman, 2003-05-15 Education specialists have written volumes on the best ways to help children learn to read and write but who is helping them navigate the potentially treacherous waters of social interactions While in school to study children are also preoccupied with understanding the rules governing social relationships Issues of trust and loyalty rivalry and conflict belonging and exclusion affect all school aged children but very few lesson plans include social development skills The Promotion of Social Awareness summarizes thirty years of research on the social development of children in elementary and middle school and shows how this work has led to a series of programs that promote the social competence of children and adolescents Rich with lessons drawn from real life the book includes an in depth account of the author s partnership with an innovative program designed to help educators promote a sound ethic of social relationships among children a case study of a teacher particularly gifted at promoting such relationships and the tale of how the author s theoretical framework fared cross culturally when exported to Iceland The Promotion of Social Awareness documents Robert Selman s efforts both as a practitioner trying to help young people develop their interpersonal skills and as a researcher attempting to understand the factors that promote or hinder social development Selman believes that getting along with others involves concrete and measurable social skills and actions that can be taught The book underlines how the science of social development has given rise to initiatives and programs that can be used in educational settings to help children get along with each other and may in the long run help prevent violence drug abuse and prejudice Unique in its marriage of theory and practice The Promotion of Social Awareness will appeal to a wide readership including developmental psychologists educators and parents *Resources in Education* ,1989-04 12 *Going on 29* Silvana Clark, Sondra Clark, 2007-08-30 Motivational speaker mom Silvana Clark in concert with her now teenaged daughter Sondra confirms in this book the confusion and possible unpleasantness tween girls and their moms around the world face in these sometimes trying years Through surveys and interviews with some 100 mother daughter pairs the Clarks show us what preteen girls are thinking and wanting how mothers can successfully help their daughters navigate these years to avoid the potential minefields and how they can successfully guide their daughters while keeping a respectful and loving relationship intact The tween years ages about 9 to 12 are a time when girls seem to grow astonishingly quickly toward establishing their independence and adult identity It is a time of testing new feelings thoughts and behaviors and can be a time of testing mom s patience persistence and energy From cell phones to body piercings and hair dye seductive clothes and strange boyfriends girls want to test the waters and experience what the world has to offer Motivational speaker mom Silvana Clark in concert with her now teenaged daughter Sondra confirms in this book the confusion and possible unpleasantness tween girls and their moms around the world face in these sometimes trying years Through surveys and interviews with some 100 mother daughter pairs the Clarks show us what preteen girls are thinking and wanting how mothers can successfully help their

daughters navigate these years to avoid the potential minefields and how they can successfully guide their daughters while keeping a respectful and loving relationship intact What s a mother to do during these tough years The good part is that although they likely wouldn t admit it mothers remain the number one role model for girls at this age Setting and keeping rules and boundaries with a tween can be challenging though Sondra now a spokeschild for charities working with children in developing countries shares insights into the way that pre teen girls think today And her mother shares her own successful approaches and those of dozens of other mothers with tween girls Topics addressed include emotional and physical development of tween girls dating drinking clothes friends music money and more Step by step scripts for handling mother daughter conflicts are provided along with tips for communicating with tweens
