Nba Preseason Tricks:

Chicago Tribune Index, 1995 Magic in the Air Mike Sielski, 2025-02-11 Who doesn't wanna read an entire book about the slam dunk I love basketball Ann Patchett The definitive dunking dissertation Jack McCallum Wall Street Journal From the author of the bestselling Kobe Bryant biography The Rise comes the legend of the most powerful shot in basketball the slam dunk The evolution of basketball and much of the social and cultural change in America can be traced through one powerful act on the court the slam dunk The dunk's history is the story of a sport and a country changed by the most dominant act in basketball and it makes Magic in the Air a rollicking and insightful piece of narrative history and a surefire classic of sports literature When basketball was the province of white men the dunk acted as a revolutionary agent a tool for players like Wilt Chamberlain and Bill Russell to transform the sport into a Black man's game The dunk has since been an expression of Black culture amid the righteous upheaval of the civil rights movement of the threat that Black people were considered to be to the establishment It was banned from college basketball for nearly a decade an attempt to squash the individual expression and athleticism that characterized the sport in America's cities and on its playgrounds The dunk nevertheless bubbled up to basketball's highest levels From Julius Erving to Michael Jordan to the high flyers of the 21st century the dunk has been a key mechanism for growing the NBA into a global goliath Drawing on deep reporting and dozens of interviews with players coaches and other hoops experts Magic in the Air brings to life the tale of the dunk while balancing sharp socio-racial history and commentary with a romp through American sports and culture There's never been a basketball book quite like it The Ultimate Celebrity Address & Phone Book - autograph collecting and media guide Cord G.
