Power And Privatization Choice And Competition In The Remaking Of British Democracy:

Power and Privatization J. Wolfe, 1996-06-07 This book shows that privatization in Britain constitutes a form of state power After analyzing the historical and ideological background the study examines how market processes indirectly extend state control by governing participation in state asset sales regulatory regimes deregulated policymaking and the marketization of trade unions Privatizing control remade British democracy Direct state power has been concentrated and held in reserve while market processes guide wide areas of routine decision making Thus it is demonstrated that privatization has depoliticized choice and diminished freedom *Power and Privatization* Joel D. Wolfe, 1996-01-01

Shrinking the State Harvey Feigenbaum, Jeffrey Henig, Chris Hamnett, 1998-11-13 Privatization has spread worldwide during the 1980s and 1990s and has significantly reshaped the balance between state and market in many countries This book provides a comparative political analysis of the development form character and causes of privatization in three countries the UK USA and France The authors argue that privatization is a political phenomenon and should be analyzed as such rather than being seen as an economic response to the growth of the state and the cost of state provision Privatization frequently has explicit political goals and has consequences which redistribute costs and benefits to different groups The book presents a threefold typology of privatization policy pragmatic tactical and systemic and relates it to the experiences of USA France and UK respectively It will be of interest to students and scholars of politics economics public policy and business studies as well as policy makers and consultants in the field of privatization **Reader's Guide to the Social Sciences** Jonathan Michie, 2014-02-03 This 2 volume work includes approximately 1 200 entries in A Z order critically reviewing the literature on specific topics from abortion to world systems theory In addition nine major entries cover each of the major disciplines political economy management and business human geography politics sociology law psychology organizational behavior and the history and development of the social sciences in a broader sense **Newsletter**, 1995

Royal Historical Society Annual Bibliography of British and Irish History Royal Historical Society (Great Britain), 1997 The Royal Historical Society's Annual Bibliography of British and Irish History provides a comprehensive and authoritative survey of books and articles on historical topics published in a single calendar year The volume covers all periods of British and Irish history from Roman Britain to the late twentieth century and also includes a section on imperial and commonwealth history It is the most complete and up to date bibliography of its type and an indispensable tool for historians The British National Bibliography Arthur James Wells, 1996 **American Book Publishing Record**, 1996-05

controversial While the shift in who pays is certainly an important dimension of privatisation there have also been changes in the management provision and delivery of schooling In most of the economically developed world discussion about the privatisation of education is now several decades old and yet new forms of privatisation are still being developed and old forms being applied to new situations This book examines the concept and nature of privatisation and explores the impacts of privatisation in terms of social justice The authors extend various arguments about the processes and provide new research and critique Some believe that privatisation can lead to increasing social justice for the poor while others argue the exact opposite This volume contributes to theoretical conceptions of social justice and education as well as providing up to date research results This book was originally published as a special issue of Oxford Review of Education **The University of Chicago Magazine** ,1996 □□□□□□ ,2001 Whitaker's Books in Print ,1998 *Forthcoming Books* Rose Arny,1996-06
