Elizabeth Alsop

Power Plays Three One Act Plays:

The Director as Collaborator Robert Knopf, 2015-10-05 The Director as Collaborator teaches essential directing skills while emphasizing how directors and theatre productions benefit from collaboration Good collaboration occurs when the director shares responsibility for the artistic creation with the entire production including actors designers stage managers and technical staff Leadership does not preclude collaboration in theatre these concepts can and should be complementary Students will develop their abilities by directing short scenes and plays and by participating in group exercises **Elaine May** Elizabeth Alsop, 2025-01-07 A master of subverting tropes with surgical precision Elaine May forged a career in 1970s Hollywood with films like The Heartbreak Kid and Mikey and Nicky Elizabeth Alsop explores the director's non conformist and uncompromising vision while looking at May's films against trends in classic and post classical Hollywood Shaped by her background and success in the theater May brought the biting humor of her improv comedy to her filmmaking But unfriendly media and a system hostile to both her methods and sensibility consigned her to director's jail after the failure of Ishtar As Alsop moves through the filmmaker's four movies she tracks May's inventive treatment of favorite themes like hapless male characters and the inanities of American culture She also considers May's work in relation to her multifaceted career as a writer and performer A compelling reconsideration of an iconoclast and original Elaine May reveals how a surprisingly radical auteur created her trademark cinema of discomfort **The New York Times Theater Reviews 1997-1998** Times Books, 2014-10-13 From the musical hits Lion King and Bring In da Noise Bring In da Funk to important new off Broadway plays such as Beauty Queen of Leenane and Wit the latest volume in this popular series features a chronological collection of facsimiles of every theater review and awards article published in the New York Times between January 1997 and December 1998 Includes a full index of personal names titles and corporate names Like its companion volume the New York Times Film Reviews 1997 1998 this collection is an invaluable resource for all libraries Nichols and May Robert E. Kapsis, 2020-10-16 In the late 1950s Mike Nichols 1931 2014 and Elaine May b 1932 soared to superstar status as a sketch comedy duo in live shows and television After their 1962 breakup both went on to long and distinguished careers in other areas of show business mostly separately but sporadically together again In Nichols and May Interviews twenty seven interviews and profiles ranging over more than five decades tell their stories in their own words Nichols quickly became an A list stage and film director while May like many women in her field often found herself thwarted in her attempts to make her distinctive voice heard in projects she could control herself Yet in recent years Nichols's work as a filmmaker has been perhaps unfairly devalued while May's accomplishments particularly as a screenwriter and director have become more appreciated leading to her present widespread acceptance as a groundbreaking female artist and a creative genius of and for our time Nichols gave numerous interviews during his career and editor Robert E Kapsis culled hundreds of potential selections to include in this volume the most revealing and those that focus on his filmmaking career May however was a reluctant interview subject at

best She often subverted the whole interview process producing instead a hilarious parody or even a comedy sketch with or without the cooperation of the sometimes oblivious interviewer With its contrasting selection of interviews conventional and oddball this volume is an important contribution to the study of the careers of Nichols and May
