team **Deformed, Disfigured, and Despised** Carlyle Fielding Stewart, 2000 Jesus was so marred and unbeautiful that those who were like him were drawn to him and he changed their lives forever There was something about the blemished visage and form of Jesus that compelled these people to identify with him Carlyle Stewart suggests that the common depiction of Jesus as handsome and attractive is mistaken and that first century Christians knew Jesus to be plain even ugly Yet our marred but magnificent messiah is the source of hope power physical healing and spiritual renewal Stewart brings his keen intellect and perceptive eye for contemporary life to 17 messages based on Revised Common Lectionary readings from the Old Testament and the book of Acts The sermons of this gifted preacher celebrate the sacrifices suffering and triumph of Christ that we commemorate during the seasons of Lent and Easter Titles include Not Your Leftovers But Your First Fruits Deuteronomy 26 1 11 A Blood That Passes Over Exodus 12 1 4 5 10 11 14 Blind Man s Bluff Acts 9 1 6 7 20 You Shall Receive Power Acts 1 1 11 Twelve O Clock Rock When The Jailhouse Is Rocked Acts 16 16 34 and more A fourth generation Methodist preacher Carlyle Fielding Stewart III is a graduate of Wilberforce University B A the University of Chicago M A Chicago Theological Seminary M Div and D Min and Northwestern University Ph D He is the pastor of Hope United Methodist Church in Southfield Michigan which has been consistently recognized for church growth and community outreach Stewart has received numerous honors including the prestigious Circuit Rider Award 1993 and the Harry A Denman Award for Evangelism 1996 from the United Methodist Church Dr Stewart is also the author of numerous articles and ten books including Joy Songs Trumpet Blasts and Hallelujah Shouts Sermons In The African American Preaching Tradition CSS Simple Faith? John B. Jamison, 2014-08 Sometimes in our zeal to proclaim God s message of truth and redemption we overcomplicate it As pastors we sometimes believe that the greatest message is delivered in carefully planned sermons with every nuance explained and every chapter and verse deconstructed But what if we let the stories of Jesus speak for themselves Author and storyteller John B Jamison asked himself this question and it didn t take long for him to discover that when he simply stepped back and got out of the way his preaching began to change In Simple Faith Jamison takes us through Jesus journey to the cross but rather than following the traditional sermon structure he invites us to pull up a chair and listen to imagine with him those days when Jesus walked the earth and ushered in the kingdom of heaven As Jamison seeks to revive the imaginations of congregations he encourages pastors to use this resource as a tool for inspiration The seventeen Lent Easter Cycle B sermons included in this book Jamison believes hold powerful plots and themes that will transform in today s world as boldly as they did in ancient days Jamison s humble approach to storytelling makes this an accessible resource to not only pastors but also to those seeking group studies private devotionals and a renewed understanding of the gospel text A few of the chapter titles included in this book are Some Greeks John 12 20 33 Where It Ends John 13 1 17 31b 35 Tangled Up in the Vines John 15 1 8 John B Jamison spent twenty plus years as a full time pastor of United Methodist congregations in Illinois Jamison still maintains his connection to the church by serving as an interim

Love, 2019-09-18 The season of Lent prepares us to be disciples by leading us in a disciplined spiritual life The season of Easter and the message of the Resurrection inform us as to the meaning of Christianity The season of Eastertide guides us in the daily living of a Christian life Ron Love's latest book What Then Would You Be Second Lesson Sermons for Lent and Easter Cycle A covers the seasons of Lent Easter and Eastertide actually tracing what it means to be a Christian This series of sermons is based on the Lectionary readings from the Epistles The Epistles stand as the most informative biblical passages on being a Christian The first sermon asks the question What then would you be with the remaining sermons wrestling with the answer Dr Ronald H Love has a cosmopolitan work experience having been employed in the church education public service and business This has exposed him to multiple facets of the human condition fostering sensitivity and awareness In his quest for knowledge he has acquired six degrees which include Bachelor of Arts Slippery Rock State College Master of Arts Indiana University of Pennsylvania Master of Library and Information Science University of Pittsburgh Master of Education Duquesne University Master of Divinity Wesley Theological Seminary and Doctor of Ministry Pittsburgh Theological Seminary Dr Love was called to be a theologian from a career as a Virginia State Trooper This transition has been the litmus test for all his theological writings for it made him mindful that biblical interpretation and theological positions must parallel what people experience in daily living Therefore his guide is that his theology must be able to dwell on the streets of Page County where he was assigned as a state trooper for this is where people live this is reality If a theological treatise that he composes cannot live on the streets of Page County then the theology is misguided for the streets
