Athanasius (Foundations of Theological Exegesis and Christian

Spirituality) Peter J. Leithart,2011-07-01 This volume by a respected theologian offers fresh consideration of the work of famous fourth century church father Athanasius giving specific attention to his use of Scripture his deployment of metaphysical categories and the intersection between the two Peter Leithart not only introduces Athanasius and his biblical

theology but also puts Athanasius into dialogue with contemporary theologians This volume launches the series Foundations of Theological Exegesis and Christian Spirituality Edited by Hans Boersma and Matthew Levering the series critically recovers patristic exegesis and interpretation for contemporary theology and spirituality Each volume covers a specific church father and illuminates the exegesis that undergirds the Nicene tradition The series contributes to the growing area of theological interpretation and will appeal to both evangelical and Catholic readers

Life and Power of Words Conrad L. Defriese, 2020-07-14

Augustine and Nicene Theology Rene Barnes, 2024-01-25 In this collection of essays Michel Rene Barnes offers a new reading of the character and development of Latin Trinitarian theology in the fourth and fifth centuries Although Augustine is the principal focus he is treated here as an inheritor of an earlier Latin tradition Antecedent theologians most notably including Marius Victorinus are given a revised interpretation and Augustine himself is explored from multiple angles At every turn developments in Augustine s thought are shown to be a response to the anti Nicene theologies of the period Most significantly this view decries the modern systematic tendency to engage with Augustine only through a simplified version of late nineteenth century categories This accusation invites the question of how far modern theology can actually engage with Patristic theology at all but Barnes offers a way forward
