Mobilizing for and against the Far-Right Cristina Flesher Fominaya, Damon Eguiarte Flesher, 2024-12-23 Social movement scholarship has been dominated until recently by work on progressive movements Yet as far right agendas narratives and actors increasingly occupy public space it is important to recognize make visible and understand the important role of grassroots far right mobilization in facilitating this rise This book showcases recent scholarship on mobilization for and against the far right in Europe and the USA fills in gaps in empirical knowledge on right wing mobilization and serves as a means through which to test the robustness of existing social movement theory Rich case studies covering mobilizing and countermobilizing in Czech Republic Egypt France Germany Italy Slovakia Turkey Tunisia the UK and the USA offer novel

insights into this understudied area of political contention Contributors follow a diverse range of approaches and lines of inquiry meaning that readers will come away not only with a better picture of the dynamics of right wing mobilization but also with a robust understanding of key areas of social movement scholarship This book will be of interest to anyone wanting to better understand the rise of far right movements their role in contemporary contentious politics and grassroots efforts to contest them The chapters in this book were originally published in *Social Movement Studies*

Cinema in Service of the State Lars Karl,Pavel Skopal,2015-12-01 The national cinemas of Czechoslovakia and East Germany were two of the most vital sites of filmmaking in the Eastern Bloc and over the course of two decades they contributed to and were shaped by such significant developments as Sovietization de Stalinization and the conservative retrenchment of the late 1950s This volume comprehensively explores the postwar film cultures of both nations using a stereoscopic approach that traces their similarities and divergences to form a richly contextualized portrait Ranging from features to children s cinema to film festivals the studies gathered here provide new insights into the ideological political and economic dimensions of Cold War cultural production

German Studies in North America Keith Duane Alexander,Annemarie Sammartino,2004 A *History of Modern Germany Since 1815* Frank B. Tipton,2003 Tipton s book will prove a godsend to teachers and students of Modern German History not only does it provide a fresh and compelling account of the whole period from 1815 right up to the present it achieves a rare synthesis of social political economic and cultural history You get the equivalent of about six good books for the price of one John Milfull University of New South Wales A comprehensive balanced up to date and fair synthesis that will be extremely valuable to undergraduate students The writing is superior and the approach is sound This study will challenge student readers to make the sorts of connections that are demanded of them in too few of the competing texts James Retallack University of Toronto
