Power Of Marks Story:

The Gospel of Mark John P. Keenan, 2005-02-03 John Keenan's *The Gospel of Mark* is a radically new reading of this most intriguing of the Synoptic gospels a remarkable feat in the face of the explosion of Markan scholarship over the last twenty years Keenan accomplishes this by approaching Mark as no other scholar has done through the lens of Mahayana Buddhist philosophy This view stresses the emptying of all preconceived notions of how to begin reading as well as reclamation of such notions in terms of dependent co arising and Jesus assault on the validity of conventional religiosity *The Gospel of Mark* displays an alternative hermeneutical procedure one generated by the Mahayana understanding of the function of text and doctrine and informed by Mahayana philosophy Part One of *The Gospel of Mark* provides an overview of different interpretive techniques in Markan scholarship It describes and argues for the validity of a Buddhist approach to this charter document of the Christian Gospel Here the author demonstrates a profound grasp not only of scriptural scholarship but of Mahayana philosophy Keenan discusses themes such as Mark's elliptical style and the journeying that provides the impetus for the narrative and explores them through the lens of emptiness and dependent co arising which are the focal points of a Mahayana reading In Part Two Keenan gives the reader truly fresh insights into the paradoxical world of Mark's Jesus Through a Buddhist lens the text offers startling and new perspectives on Jesus himself the experience of the Kingdom miracle stories and parables the passion and death the resurrection and return *Risen Indeed? Resurrection and Doubt in the Gospel of Mark* Austin Busch, 2022-08-05 *Risen Indeed Resurrection and Doubt in the Gospel of Mark* traces the literary dynamics and explores the theological dimensions of the Gospel of Mark's thematization of skepticism regarding resurrection In every place where it seems to depict resurrection Jesus's and others Mark evades the issue of whether resurrection actually occurs Austin Busch argues that despite Mark's abbreviated and ambiguous conclusion this gospel does not downplay resurrection but rather foregrounds it imagining Jesus's death and restoration to life as a divine plot to overcome Satan through cunning deception *Risen Indeed* constitutes a careful literary reading of Mark's Gospel as well as an assessment of Mark's impact on the traditions of Christian literature and theology that emerged in its wake The Turning Point in the Gospel of Mark Gregg S. Morrison, 2014-09-24 Based on linguistic and thematic links in the narrative *The Turning Point in the Gospel of Mark* argues that the twin pericopae of Peter's confession 8:27-38 and the Transfiguration 9:2-13 together function as the turning point of the Gospel and serve in a Janus like manner enabling the reader to see the author's main focus the identity of Jesus and the significance of that reality for his disciples Peter's confession of Jesus as Messiah faces backward toward the Prologue 1:1-13 and functions as a mid course conclusion The declaration by God on the mountain faces forward and foreshadows the end course conclusion 14:61-62 15:39 Son of God Jesus in response teaches that the Son of Man must suffer and die before being raised from the dead 8:31 Christologically the images of Messiah Son of Man and Son of God converge and present Jesus the crucified as king ushering in the kingdom of God in power 9:1 acting as

the key swivel between the twin pericopae When one is confronted with this Jesus though there remains something elusive about him and the kingdom of God in the narrative the only wise decision after calculating the costs 8 34 38 is to follow

Women's Bible Commentary Carol Ann Newsom, Sharon H. Ringe, Jacqueline E. Lapsley, 2012-01-01 A twentieth anniversary edition with brand new or thoroughly revised essays that reflect newer thinking in feminist interpretation and hermeneutics *The Trial and Death of Jesus* Geert van Oyen, Tom Shepherd, 2006 What is the significance of the trial and death of Jesus in the Gospel of Mark The contributions presented here represent an up to date expression of one of the most important themes in Markan exegesis The editors use the metaphor of a prism to illustrate the two sections of the book Like a concave prism spreading light the first section presents a range of understandings of the meaning of the death of Jesus Like a convex prism focusing light the second section uses multiple methodologies to focus attention on the trial of Jesus The papers together raise questions challenge common views and interrelate themes that push Markan scholarship forward
