Powerful Persuasion:

Power, Persuasion, and Politics in the Higher Education Workplace George S. McClellan, Felecia Commodore, Dena Kniess, 2025-06-19 This invaluable resource supplies foundational knowledge and expert strategies on navigating the workplace dynamics of power persuasion and politics across higher education Despite burnout compassion fatigue and questions of privilege and oppression being at the forefront of academia little if any attention is given to the political aspects of professional practice across the array of campus administrative and academic units By masterfully leveraging scholarly literature on power persuasion and politics with the tried and true collegiate expertise of the contributing authors faculty and staff will develop the knowledge and skills they need to negotiate the pervasive often intimidating political behavior that dominates the higher education workspace The ultimate guide to understanding engaging and thriving in the campus workplace this book belongs in the hands of all higher education professionals *Secrets of Power Persuasion for*

Salespeople (Volume 2 of 2) (EasyRead Super Large 20pt Edition) , **The Language of Persuasion in Advertising. A Corpus-based Critical Discourse Analysis** Seda Evirgen, 2021-05-04 Master s Thesis from the year 2020 in the subject English Language and Literature Studies Linguistics grade 1 0 Justus Liebig University Giessen language English abstract The thesis at hand puts a special emphasis on the use of persuasive language in online native advertisements from The New York Times After careful examination the corpus will be compiled of three native advertisements from the field of technology by the sponsors Intel Dropbox and Slack The limitation to these native advertisements and persuasive linguistic devices and techniques was necessary with regard to the scope of this thesis As no linguistic analysis of native advertisements could be found there also was no reference to follow Therefore the thesis at hand lays the foundation for further research in this area The aim is to conduct a corpus based Critical Discourse Analysis in order to investigate and answer two main questions 1 Do online native advertisements make use of the same persuasion methods as previously researched for other advertising types 2 What are the most prominent persuasive linguistic devices and techniques in the online native advertisements from The New York Times In addition to the CDA the corpus based approach is expected to provide quantitative evidence of the existence of discourse and to identify repetitive linguistic patterns of persuasive language use in native advertising The thesis will be structured as follows First the theoretical framework provides general information about the functions and characteristics of advertising while further focusing on native advertisement and the language of advertising It continues with explaining the concept of persuasive language on the basis of ethos logos and pathos and introduces some powerful persuasive techniques in advertisement Further linguistic devices of persuasive language on the phonetic lexical morphological and syntactic level will be defined Additionally the concept of Critical Discourse Analysis will be explained in detail as the thesis at hand follows the CDA framework of Fairclough The data collection method and data analysis procedure will be outlined in Chapter 3 This is followed by an analysis of three online native advertisements from the publisher The

New York Times After the analysis the results will be presented and evaluated in order to assess the hypothesis Finally the conclusion provides a summary of the findings and suggests further research opportunities **Encyclopedia of Power**
