Practical Angler Or The Art Of Trout Fis:

The Practical Angler: Or, the Art of Trout-fishing. William C. Stewart, 1857 *The Practical Angler, Or the Art of Trout-Fishing; More Particularly Applied to Clear Water* W. C. Stewart, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1883 edition Excerpt CHAPTER VI ON TROUTING WITH THE FLY A VING in the preceding chapters expressed our opinion that fly fishing should be practised up stream and having mentioned the flies and tackle I most suitable for the purpose we now request the reader's particular attention to the remainder of the subject as being the most important part of it The first point which falls under consideration is the casting of the line After having put up your rod drawn off a sufficient quantity of line from your reel and fastened on your flies before commencing soak the line and flies in the water for a few minutes as it is no use fishing when the gut is dry and lying in rebellious curls upon the surface and when should a trout take any of the flies there is a great risk of its carrying them all away dry gut being very brittle and apt to break at the knots When the line is thoroughly soaked take the rod in your right hand raise it with sufficient force to make the line go to its full length behind and then CASTING THE LINE pausing for a moment till it has done so with a circular motion of the wrist and arm urge the rod forward rapidly at first but gradually lessening the speed so that when it stops no recoil of the point will take place The whole motion of the rod in casting should be in the shape of a horse shoe and care must be taken not to urge the flies forward till they have gone the full length behind or you will be apt to crack them off Many a beginner who cracks off his flies pleases himself with the idea that some trout of large dimensions has carried them away The line must be so thrown that the flies will fall first upon the water and as little of the line with them as possible If you were to fish up a strong stream **The Practical Angler** William C. Stewart, 1857 *The Practical Angler: or, the art of Trout-fishing* William C. STEWART (Author of "The Practical Angler."), 1857 *The Practical Angler* William C. Stewart, 1857 *The practical angler; or, The art of trout-fishing, more particularly applied to clear water* W C. Stewart, 1861 *The Practical Angler: Or, the Art of Trout-fishing.* William C. Stewart, 1861 *The Practical Angler Or the Art of Trout-fishing More Particularly Applied to Clear Water* W. C. Stewart, 1961 **The Practical Angler** W. C. Stewart, 2013-10 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book *Practical Angler, Or The Art of Trout-fishing, More Particularly Applied to Clear Water*, 1867 *The Practical Angler Or the Art of Trout-fishing More Particularly Applied to Clear Water* W. C. Stewart, 1857 *The Practical Angler; Or, the Art of*

Trout-Fishing, by W.C. Stewart W. C. Stewart,1857 *The Practical Angler Or the Art of Trout Fishing* W. C.

Stewart,2008-10 PREFACE THE Author of this very practical treatise on Scotch Loch Fishing desires clearly that it may be of use to all who had it He does not pretend to have written anything new but to have attempted to put what he has to say in as readable a form as possible Everything in the way of the history and habits of fish has been studiously avoided and technicalities have been used as sparingly as possible The writing of this book has afforded him pleasure in his leisure moments and that pleasure would be much increased if he knew that the perusal of it would create any bond of sympathy between himself and the angling community in general This section is interleaved with blank sheets for the readers notes The Author need hardly say that any suggestions addressed to the case of the publishers will meet with consideration in a future edition We do not pretend to write or enlarge upon a new subject Much has been said and written and well said and written too on the art of fishing but loch fishing has been rather looked upon as a second rate performance and to dispel this idea is one of the objects for which this present treatise has been written Far be it from us to say anything against fishing lawfully practised in any form but many pent up in our large towns will bear us out when we say that on the whole a days loch fishing is the most convenient One great matter is that the loch fisher is dependent on nothing but enough wind to curl the water and on a large loch it is very seldom that a dead calm prevails all day and can make his arrangements for a day weeks beforehand whereas the stream fisher is dependent for a good take on the state of the water and however pleasant and easy it may be for one living near the banks of a good trout stream or river it is quite another matter to arrange for a days river fishing if one is looking forward to a holiday at a date some weeks ahead Providence may favour the expectant angler with a good day and the water in order but experience has taught most of us that the good days are in the minority and that as is the case with our rapid running streams such as many of our northern streams are the water is either too large or too small unless as previously remarked you live near at hand and can catch it at its best A common belief in regard to loch fishing is that the tyro and the experienced angler have nearly the same chance in fishing the one from the stern and the other from the bow of the same boat Of all the absurd beliefs as to loch fishing this is one of the most absurd Try it Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy or even a cast similar to those which a crack may be using and if he catches one for every three the other has he may consider himself very lucky Of course there are lochs where the fish are not abundant and a beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught and where each has a fair chance Again it is said that the boatman has as much to do with catching trout in a loch as the angler Well we dont deny that In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream fishing *The Practical Angler ... Fifth Edition Revised and Enlarged* William C. Stewart,1867 *The Practical Angler; Or, the Art of Trout-Fishing - Scholar's Choice Edition* W C Stewart,2015-02-18 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know

it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

The Practical Angler Or The Art of Trout-fishing More Particularly Applied to Clear Water ,1958 The Practical Angler: Together with a Caution to Anglers W. C. Stewart,2009 **Catalogue of Books on Angling Including Ichthyology, Pisciculture, Fisheries,and Fishing Laws** John Bartlett,1882 Consists of the inventory of a collection of 1014 volumes and 269 pamphlets formed by John Bartlett and presented to the Library of Harvard College November 17 1892 In 1896 the library published a catalogue of the collection as number 51 of its bibliographical contributions The Modern Practical Angler. A Complete Guide to Fly-fishing, Bottom-fishing, and Trolling. Illustrated by ... Engravings, Etc Henry Cholmondeley-Pennell,1875 A caution to anglers; or, 'The practical angler' and 'The modern practical angler' [by H. Cholmondeley Pennell] compared William C. Stewart,1871
