The Right Hand According To

TATUM

• His Runs And Fills • His Keyboard Tricks...
And How To Play Them!

He was the most revered piano player in the history of jazz. His musical fills were effortless, splashy, the kind that left audiences gasping. They weren't just fast—they were beautiful. They were the dream runs that every pianist wanted to play. "Tatum," quipped one writer—"You can't imitatatum." So many pianists wished they could. But none of them had this first-of-a-kind book that now shows exactly how it's done!

Suddenly, anyone can play them!

You are cordially invited to learn the secrets of the Art Tatum style! In this book, Riccardo Scivales, author of *Harlem Stride Piano Solos*, has not only transcribed the right hand devices Tatum used on his most famous recordings—he has broken them down, explained how they are formed, turned them into drills, and shown us the easiest ways to finger them too!

Never before in music history has it been so easy to learn the techniques, the tricks, the secrets of Tatum's right hand moves.

Play complete solos, too!

After you've practiced all the tricks Tatum used and learned how they work, step-by-step, you'll want to turn to the second section of this book: **Ten Complete Solos** as played by Art Tatum! Along with explanatory notes, you will get the complete sheet music for his recorded solos on ten songs: "After You've Gone," "I Got Rhythm," "Moonglow," "Sweet Georgia Brown," "Indiana," "Esquire Bounce," and more... **TEN** in all!
