Surrender Your Story Tara Sun, 2023-03-07 Exchange exhaustion and disappointment for the full abundant life you long for when you surrender your story at the foot of the cross Popular podcaster and self proclaimed control freak Tara Sun shows how having everything under control is overrated not to mention downright dangerous and reveals the surprising lifegiving alternative only radical surrender to God brings the peace and fulfillment we yearn for Today's culture is peddling a seductive promise a message that bombards social media feeds and dominates bestseller lists you can control your circumstances and achieve any goal through positive thinking organization and sheer force of will But anyone who's tried to white knuckle their way to self fulfillment has discovered what lies on the other side of this supposedly empowering message frustration disappointment and exhaustion Tara knows what it's like to be obsessed with control all under the guise of the supposed virtues of being self sufficient organized and high achieving When a battle with severe chronic illness demolished her illusions of control Tara embarked on a journey of discovering the antidote to the burdensome and ultimately empty myth of control surrender to the God who cares for us and has an infinitely better blueprint for a life filled with joy peace and meaning Readers will identify how the false promises of control and self sufficiency have warped their view of themselves their hopes and their purpose Learn to trust God in the big events and the small details of their lives Discover practical steps and strategies for letting go of control and moving forward in faith even in the face of setbacks and disappointments Be inspired by examples from Tara's life and from the Bible of the strength and purpose that come through a lifestyle of surrender For all those who are exhausted from trying to control their lives and disappointed by their unreachd plans **Surrender Your Story** is a welcome lifeline that opens readers eyes to the beauty of a life surrendered to the Master Planner

father was shot during The Troubles in Northern Ireland This wrenching volatile but also binding truth is the subject of this book It s a truth about traumatic experiences that happen to a family but also to a society and to the organizations that link these intimate units with the larger context of history and culture It s also a truth about the way trauma plays out over time including between generations Grounded in Erik Erikson s way of looking at things the book is a journal of encounters between clinical psychoanalysis and other disciplines and an inquiry into what might be learned there for both Sometimes that learning has to do with trauma the way in which what can t be emotionally contained thought about or spoken in one part of a system is passed along with disorganizing sometimes heartbreaking consequences to another After a reflection on dignity the book examines intergenerational trauma in families including Erikson s It then illustrates how trauma to organizations slips below the threshold of awareness and yet continues to wear down its members The final section examines aspects of the larger society including radicalization war trauma the pandemic and cultural healing What emerges is the sober yet hopeful truth that what people discover by taking their own emotional experiences seriously though that might markedly differ from what is accepted in the everyday world is a primary path toward recovery from trauma *Group Counseling for School Counselors* Greg Brigman, Barbara Earley Goodman, 2001 A field tested resource designed to help counselors educate students in areas such as interpersonal communication conflict management and relationship building
