Righteous Warriors:

The Code of the Warrior Daidôji Yûzan, D. Tarver, 2003-02-10 The Budo Sho Shinshu was originally written by Daidoji Yuzan as a text book on warrior ethics for young people born into the warrior caste. It teaches the general tenets of bushido without going too far into any one fief's history or traditions, which is one of the reasons the original text was so widely accepted. The Code of the Warrior is a clear and easy to understand version of the Budo Sho Shinshu. Anyone who wants to understand the Japanese frame of mind or gain insight into the warrior's soul should start with this book. Although the caste system has long been abolished, the principles of bushido still influence every facet of the Japanese way of thinking. Today's warriors will find a wealth of information and guidance in the pages of this book. [The Lion's Army](#) Mike

Thompson, 2025-02-04 This book reveals the reality of two realms: the physical and the spiritual. Both are deeply intertwined with events in the spiritual realm directly impacting the physical world. While nations rise against nations, political scenarios threaten our freedoms, and darkness overtakes our culture by calling good evil and evil good, there is hope. We can turn back this wave of darkness, but the answer is a spiritual one. The good news is that the Lord Jesus, the Lion of Judah, Rev 5:5 has an army, the Lion's Army, into which we as His children have been called. To be effective in this army, we must embrace our assignments and be trained to wage effective spiritual warfare impacting the physical realm. Our nation and culture are at stake. Through a series of open visions, the Lord granted Mike Thompson insight into the spiritual dimension, pulling back the curtain on the battle waging in the heavenly realm and revealing how we can access the truths needed for victory. This book teaches you how to discover the ways of the Spirit for the last days. You will discover how to walk in the Spirit and hear the voice of God. Obtain keys to healing, miracles, favor, and prosperity. Learn to recognize demonic strategies and deceptions. Utilize the godly weapons given to you for effective spiritual warfare. The battle has begun; the spiritual war is raging. Are you ready to fight? **Spirit Warriors** Stu Weber, 2001 Why does life sometimes seem like such a battle? Because it is. Pastor and former Green Beret captain Stu Weber describes life's spiritual battles from the perspective of a seasoned soldier. Somehow we have come to mistakenly associate spiritual warfare with charismatic personalities strutting across brightly lit platforms, whuppin' up on evil spirits, says Weber. But spiritual warfare is so much more than a show. With warm and winning counsel, the bestselling author-speaker opens our eyes to the perils we face daily, giving us what we need to survive and thrive.

The Torah in 1Maccabees Francis Borchardt,2014-08-22 This volume addresses two pivotal questions surrounding the composition of 1Maccabees It sets out to discern the place and function of the torah within the community described by the book However before addressing the main problem the author must first determine the composition history of the text Given that the former orthodoxy of a unitary authorship seems to be breaking down and no consensus has taken its place a literary critical investigation occupies a necessary and lengthy portion of the work Once a recommendation for the book s composition history is reached attitudes toward the inherited Judean tradition are described in each of the strata discovered The resulting study reveals a wide variety of opinions on the Judean traditions and their function in society This contributes to the current trend in scholarship of the Hellenistic period questioning the dichotomy between Judaism and Hellenism by demonstrating the different attitudes within even one text
