Ringling Glass The Life Of Rainer Maria Rilke:

A Ringing Glass Donald A. Prater, 1986 Rainer Maria Rilke 1875 1926 is widely regarded as the greatest lyric poet of this century His major achievements the New poems the Sonnets to Orpheus and the incomparable Duino Elegies had a powerful impact on European literature and have been the subject of intense scrutiny and increasing acclaim since the poet's death Only in recent years however with the emergence of key documentary material has it become possible to present the full story of Rilke's life In *A Ringing Glass* Donald Prater's aim is not to add another stone to the mounting edifice of critical interpretation but to provide a portrait of the man himself and to show the background in which Rilke's extraordinary vision developed And it is an extraordinary background Rilke's nomadic existence led him from his birthplace in Prague through Germany Russian Spain Italy France and finally Switzerland He visited Tolstoy at Yasnaya Polyana acted for a time as secretary to Rodin and was friend of Romain Rolland Leonid Pasternak and Walter Rathenau He was the protégé of Princess Marie von Thurn und Taxis and the lover Lou Andreas Salome and Baladine Klossowska of whose son the painter Balthus he was an early patron Financially and emotionally Rilke needed these associations yet he dedicated himself fully to his art and remained single minded in his search for the solitude it required In his correspondence from which Prater draws extensively Rilke reveals the tragic conflict between his needs as a man and his goals as a poet This above all he wrote a younger colleague ask yourself must I write Delve into yourself for a deep answer And if this should be affirmative then build your life according to this necessity With this comprehensive biography readers can themselves delve deeply into the life Rilke built a life as courageous and rare as the poetry it left behind About the Author Donald Prater is the author of *European of Yesterday* a biography of Stefan Zweig and his edition of the Rilke Zweig correspondence will appear shortly in Germany A major new biography of the century's greatest lyric poet Draws extensively on Rilke's letters to present an intimate portrait

Reading Rilke's Orphic Identity Erika M. Nelson, 2005 *Studies in Modern German and Austrian Literature* publishes research and scholarship devoted to German and Austrian literature of all forms and genres from the eighteenth century to the present day The series promotes the analysis of intersections of literature with thought society and other art forms such as film theatre autobiography music painting sculpture and performance art [Musical Ekphrasis in Rilke's Marien-Leben](#) Siglind Bruhn, 2021-11-22 In 1923 the twenty seven year old Paul Hindemith published a composition for voice and piano entitled *Das Marienleben* based on Rainer Maria Rilke's poetic cycle of 1912 Twenty five years later the composer presented a thoroughly revised partially rewritten version The outcome of this revision has been highly controversial Ever since its first publication musicologists have argued for or against the value of such a decisive rewriting They do so both by comparing the two compositions on purely musical grounds and by attempting to assess whether the more strictly organized tonal layout and dynamic structuring of *Marienleben II* is more or less appropriate for the topic of a poetic cycle on the Life of Mary This study is the first to analyze the messages conveyed in the two versions with an emphasis on their implicit aesthetic

philosophical and spiritual significance Acknowledging the compositions as examples of musical ekphrasis a representation in one artistic medium of a message originally composed in another medium the author argues in exhaustive detail that the young Hindemith of 1922-23 and the mature composer of 1941-48 can be seen as setting two somewhat different poetic cycles This volume is of interest for musicologists and music lovers scholars of German literature and lovers of Rilke's poetry as well as for readers interested in the interartistic relationships of music and literature

The Love Lives of the Artists Daniel Bullen, 2013-02-12 As the oldest of institutions marriage seems outdated in modern times when each individual is encouraged to break with tradition in order to fulfill him or herself And so artists like Diego Rivera and Frida Kahlo seem to be paving the way toward a brave new kind of marriage where spouses would be allowed even encouraged to fulfill different aspects of themselves in outside relationships Shared creativity they believed would transcend their jealousies and compensate their sufferings through art they would rise above conventional marital fidelity and prove a higher fidelity to art and to themselves The Love Lives of the Artists tells the stories of Rainer Maria Rilke and Lou Andreas Salom Alfred Stieglitz and Georgia O'Keeffe Jean Paul Sartre and Simone de Beauvoir Diego and Frida and Henry Miller and Anaïs Nin five couples who approached their relationships with the same rebellious creativity as they practiced in their art From their early artistic development and their first experiences in love to their artistic marriages and their affairs and then to their fights and reconciliations addictions nervous breakdowns and continued creativity The Love Lives of the Artists describes the promise and the price of freedom and creativity in love

Untersuchungen zu Rainer Maria Rilkes "Die Aufzeichnungen des Malte Laurids Brigge" Brigitte von Witzleben, 1996 **Blätter der Rilke-Gesellschaft** Rilke-Gesellschaft, 1997 *Rilke reconsidered* Sigrid Bauschinger, Susan L. Cocalis, Karin Obermeier, 1995 *Lost Son* M Allen Cunningham, 2008-04-01 Spanning western Europe from 1875 to 1917 and presenting a gothic historical Paris that subverts our old assumptions regarding the City of Light M Allen Cunningham's new novel brings a brooding atmosphere and human complexity to an intimate and imaginative portrait of one of the most uniquely sensitive artists of his time a poet whose odd childhood and difficult early life will both fascinate and perhaps help explain his determination to stay true to his artistic vision at almost any cost Here is Rainer Maria Rilke in the grip of his greatest artistic struggle life itself Rilke's gripping emotional drama as child lover husband father prodig misfit soldier and wanderer is framed by a haunted young figure a researcher who a century later feels compelled to trace Rilke's itinerant footsteps and those of Rilke's fictional alter ego the bewitched poet Malte Laurids Brigge The result is an exploration of the forever imperfect loyalties we face in work and life the seemingly immeasurable distances that can separate life and art and the generational tensions between masters and admirers
