Risk/Reward Anne Kreamer, 2015-06-09 A persuasive and eye-opening look at the importance of embracing risk in our working lives and how to use it to achieve lifelong career success Some of us relish the chance to fly without a net others not so much But no matter how adventurous we might be in our personal lives most of us are wary of allowing risk into our careers With an economy in constant flux and a job market in which uncertainty is the only constant stepping outside one's comfort zone can feel dangerous But as the

findings of this eye opening and urgent book attest the avoidance of risk might pose the greatest danger of all to our career prospects In Risk Reward trend spotter and career guru Anne Kreamer makes the compelling case that embracing risk is essential to managing a twenty first century career Risk taking isn t just for entrepreneurs nor does it require working on a figurative tightrope Rather Kreamer says conscious consistent and modest risk taking can help us become more able to recognize opportunity when it appears and more likely to seize the chance to make the right change at the right moment Risk Reward presents a framework for making the most of today s ever evolving workplace and turning risk taking into a daily practice Using proprietary data from three national studies about the American worker Kreamer explores the importance of career risk taking through profiles of four Risk Reward personality types Pioneers Thinkers Defenders and Drifters She presents a Risk Reward Matrix that anyone can use to identify his or her own innate risk threshold and she identifies constructive ways to implement risk in everyday situations from initiating an uncomfortable conversation with a boss to sharing out of the box ideas with colleagues or constructively challenging long held practices in an organization Peppered throughout Risk Reward are insights and hard won wisdom from notable achievers such as bestselling author Anna Quindlen journalist Jane Pauley CNBC financial maven Jim Cramer thought leader Po Bronson and Facebook COO Sheryl Sandberg Timely and insightful Risk Reward is a unique blend of practical and inspirational wisdom that even the most risk averse person can harness on the path toward success and fulfillment Praise for Anne Kreamer s It s Always Personal Navigating Emotion in the New Workplace A stimulating read bolstered by some of the best recent work on emotional intelligence and the science of happiness The Wall Street Journal So what should be the rules and boundaries for showing how you feel while you work That s a question asked and answered in Anne Kreamer s fascinating look at an issue that rarely gets discussed The Washington Post Finally someone is willing to unpack the morass of anger anxiety sadness and joy that drives the workday Kreamer has hit the It s about time button Elle A lively well researched exploration of emotions on the job Oprah.com Explores how to be true to your emotional flashpoints anger fear anxiety empathy happiness and crying without sabotaging your career The New York Times Book Review

Memoirs Brian Mulroney, 2007 This is a unique book about a unique Canadian life about a boy born and raised in a working class family in remote Baie Comeau who rose to the highest office in the land How he got there an outsider fighting his way to the top is a compelling story What he did when he got there is just as enthralling Year by year in this detailed book he takes us through his time as prime minister 1984 1993 when he mingled with the world s leaders tackled tough and controversial problems and left Canada a changed country The boy from Baie Comeau changed your life now his life frankly recounted in this extraordinary book deserves a place in your home
