Administration of the Science Education Project "Man : A Course of Study" (MACOS) : National Science Foundation United States. General Accounting Office,1975 *Resources in Education* ,1976 **Entrepreneurial President** Patricia A. Pelfrey,2012-03-06 Richard C Atkinson was named president of the University of California in August 1995 barely four weeks after the UC Regents voted to end affirmative action How he dealt with the admissions wars the political legal and academic consequences of that historic and controversial decision as well as the issue of governance is discussed in this book Another focus is the entrepreneurial university the expansion of the University s research enterprise into new forms of scientific research with industry during Atkinson s presidency The final crisis of his administration was the prolonged controversy over the University s management of the Los Alamos and Livermore nuclear weapons research laboratories that began with the arrest of Los Alamos scientist Wen Ho Lee on charges of espionage in 1999 Entrepreneurial President explains what was at stake during each of these episodes how Atkinson addressed the issues and why the outcomes matter to the University and to the people of California Pelfrey s book provides an analysis of the challenges perils and limits of presidential leadership in the nation s leading public university while bringing a historical perspective to bear on the current serious threats to its future as a university **Teaching Social Studies** Virginia S. Wilson,James Litle,Gerald L. Wilson,1993-01-30 Just as society has changed dramatically over the last century so have the social sciences This valuable reference chronicles the historical development of social studies as a discipline in elementary and secondary schools It also assesses the current state of teaching and research in the social sciences and history at the pre college level and it charts new directions for the future of social studies in secondary and elementary schools By tracing the historical development of social studies the reference indicates how social studies has constantly been redefined to meet the changing needs and expectations of society At the same time the historical context provided by the authors sheds new light on the current state of social studies in the curriculum and the development of social studies in the future The book begins with introductory chapters that overview themes and issues common to all areas of history and the social sciences The chapters that follow summarize and assess the developments and trends of particular fields commonly thought to constitute social studies The volume concludes with chapters on broad topics including the place of religion in the social studies curriculum the role of writing in history and the social sciences and the professional training of social studies teachers Each chapter begins with a section of reflections on the development of the discipline followed by a section on current issues and trends followed by a final section of projections for the future of the discipline The result is a comprehensive overview of the past present and future of social studies in elementary and secondary schools and an indispensable reference for educators historians and social scientists *The Software Catalog* MENU Staff,Menu,1987 **Preliminary News Bulletin** Council for Basic Education,1974 *The Executive Educator* ,1993 **Editorial Research Reports on the American Future** Hoyt
