Broadway Tickets Usa:

Stage Money Tim Donahue, Jim Patterson, 2020-08-04 For decades roughly 80 percent of commercial Broadway productions have failed to recoup their original investments In light of this shocking and harsh reality how does the show go on Tim Donahue and Jim Patterson answer this question and many others in this updated edition of their popular straightforward guide to understanding professional theater finances and the economic realities of theater production This revised edition of Stage Money not only includes the latest financial information and illuminating examples of key concepts it has been enhanced with a discussion of the stagehands union plus a new chapter on marketing for the theater These new elements combined with the essentials of the first edition create an expansive overview of the contemporary theater business Stage Money is designed for theater enthusiasts and professionals interested in understanding the inner workings of this industry today and its challenges for the future Ken Davenport two time Tony Award winner Broadway and Off Broadway theater producer blogger writer and owner of Davenport Theatrical Enterprises writer offers a foreword

ChemADDRESSbook ,2018-12-03 Keine ausführliche Beschreibung für ChemADDRESSbook verfügbar **Historians on Hamilton** Renee C. Romano, Claire Bond Potter, 2018-05-09 America has gone Hamilton crazy Lin Manuel Miranda's Tony winning musical has spawned sold out performances a triple platinum cast album and a score so catchy that it is being used to teach U S history in classrooms across the country But just how historically accurate is Hamilton And how is the show itself making history Historians on Hamilton brings together a collection of top scholars to explain the Hamilton phenomenon and explore what it might mean for our understanding of America's history The contributors examine what the musical got right what it got wrong and why it matters Does Hamilton's hip hop take on the Founding Fathers misrepresent our nation's past or does it offer a bold positive vision for our nation's future Can a musical so unabashedly contemporary and deliberately anachronistic still communicate historical truths about American culture and politics And is Hamilton as revolutionary as its creators and many commentators claim Perfect for students teachers theatre fans hip hop heads and history buffs alike these short and lively essays examine why Hamilton became an Obama era sensation and consider its continued relevance in the age of Trump Whether you are a fan or a skeptic you will come away from this collection with a new appreciation for the meaning and importance of the Hamilton phenomenon **The Complete Index to Literary**
