sophisticated brands and agencies don't have a strong grasp of this evolving channel and there are few good neutral sources on the topic. Meanwhile, retargeting is the cornerstone of any holistic digital advertising strategy since it improves the results of every other channel if implemented correctly. Unfortunately, most marketers are only utilizing the most rudimentary retargeting tactics and barely scratch the surface of its potential. Explains how to stay in front of potential customers and convince them to come back and close the deal. This book will be required reading for media buyers at digital agencies, in-house marketing managers at companies in any vertical, performance marketers, and ecommerce managers.
